PE Premium 2019-20

Introduction:

The school expects to receive a total of £17,746 this academic year for PE Premium funding. This money goes towards a number of things we provide for the Physical Education aspect of the curriculum. This sum is supplemented from other funding streams within the school (see table 1 to right) so that we can:

- Provide specialist sports coaching to every class in the school from Year 1 to Year 6 to deliver PE lessons weekly.
- Provide swimming provision for all pupils to receive a term of weekly lessons from year 2-6.
- Provide blocks of dance provision with a dance teacher from year 1 to year 6.
- Provide before and after school sports club provision—some led by specialist coaches—in a number of disciplines including football, gymnastics, multisports, table tennis and dance.
- Provide in school cycle training to all children from Nursery to Year 4 and road cycle training, to those pupils whose parents give consent for years 5 & 6.
- Provide coaches from 'Arsenal in the community' to work with each class for a term as well as an after school football club.
- Provide a lunchtime football club run by a local club.
- Provide resources and staff to support team attendance at sports events both borough and London wide.
- Hold whole school sports events on Hampstead Heath—annual fundraising fun run and a sports day.
- Take part in specific, time-limited, sports projects for some year groups.
- Be fully stocked with resources for a wide range of sports and sports lessons.

How was last years funding spent (2018-19)

See table 2 (right) for breakdown of last academic year's PE Premium spend. The costs of these activities are more than the PE Premium we received and were supplemented from other funding streams within the school.

Playground equipment encourages physical activity from early years all the way through school—scooters, tricycles, balance bikes, climbing equipment, balls, bats, hoops, diablos etc.

Playground space is utilised during PE lessons, weather permitting, and equipment such as benches etc. moved outside.

Areas funded 2019-20	Total Costs
Specialist PE Teacher	£5550
Arsenal Coaching Programme	£2520
Before and after school sports clubs	£8256
Swimming	£5313
Camden Sports Association Costs/SLA	£1735
PE Resourcing	£700
Total Projected PE Spend 2019-20	£24074
Total Allocated through PE Premium for 2019-20	£17746
Difference taken from School Budget	£6328

Table 1: Projected PE spend for 2019-20

Areas funded 2018-19	Total Costs
Specialist PE Teacher	£5550
Arsenal Coaching Programme	£2520
Before and after school sports clubs	£5550
Swimming	£5468
Dance Teacher	£5709
Camden Sports Association Costs/SLA	£1575
PE Resourcing	£700
Total Projected PE Spend 2018-19	£27072
Total Allocated through PE Premium for 2018-19	£17746
Difference taken from School Budget	£9326

PE Premium 2019-20

Impact:

- All children are receiving the highest possible standard of professional coaching in their PE lessons.
- All children from Year 2 to 6 actively swimming—either learning to swim or improving their skills if already swimming.
- High level of take up in sports clubs—often oversubscribed. Specialist coaching providers used for football (3 different clubs running—After school club, Arsenal coaching club, and Bloomsbury Football Club). Both infant and girls multi-sports clubs after school and a Table Tennis Club.
- In the last 12 months, children have taken part in inter school sports competitions at different year groups for the following sports: cross-country, football, dodge ball, bench ball, basketball, gymnastics, swimming and athletics.

Left: Year 4 at inter-school dodgeball competition 2018-19

Middle: Camden School's Swimming Gala 2017-18

Right: Camden Schools Cross-Country Competition 2018-19

Children taking part in cycle training—Autumn Term 2018-19

- All classes from Y1-Y6 took part in the daily mile attempting to get out and run for 15 minutes each day—in reality, due to curriculum anomalies—trips etc. and the weather, most classes managed to get out at least 3 times per week. We were able to track the improvement in stamina through the termly monitoring of the 'Bleep' test by our PE coach which showed most children's stamina improved over the course of

Sponsored 'scoot-a-thon' and 'spin-a-thon' in Spring Term 2017-18

the year.

- The whole school took part in a 'fun run' on Hampstead Heath.
- All children from nursery to Year 4 took part in cycle training sessions to encourage healthy lifestyle. Many non-cyclists became cyclists.
- Children in Y5 and Y6 took part in week long 'Bikeability' training which included cycling on local roads having learnt to use the correct signalling in the playground.
- All year groups had the opportunity, through a link at the local NVQ training hub, to take part in activity mornings at the local sports centre with the trainee sports coaches developing a number of key sporting skills.
- 85% of the year 6 children could swim confidently 25metres by the time they finished school last academic year

Children taking part in the 'daily mile' initiative

Gymnastics Club whole school demonstration assembly 2017-18

Opportunities taken up and planned for this year:

Skateboarding and Breakdancing Workshops 2018-19

- Swimming for all classes from Year 3-6—last academic year 85% of the year 6 children could swim confidently 25 metres by the time they finished school. We have switched our Year 3 and Year 4 classes to a different pool which will mean they can work in smaller groups with each it's own swimming coach.
- Daily mile—all classes from Year 1– 6 running daily for 15 minutes—aim is for this to happen no less than 3 times weekly,

Arsenal and Bloomsbury Football coaches working with children/classes 2018-19

ideally 5 times—weather permitting.

- Continue to attend Inter-school sports events—basketball, cross country, football, athletics, gymnastics, swimming bench ball etc.—we had more top twenty finishers in the cross-country this year than last. Our Gymnastic position has improved year on year and we hope to improve further this coming year.

PE Premium 2019-20

Opportunities taken up and planned for this year (continued):

- Each term the Arsenal football coaches come in for an afternoon a week and work with different classes (a half-term each). This has begun already with year 1 and year 3 for Autumn Term 1.
- Annual Fun Run on Hampstead Heath—excellent participation and number of laps children completed up on previous year
- In Autumn term, every child from Nursery to year 4 took part in two days of cycle training—all abilities catered for, from balance bikes and those who couldn't cycle to those who could. A number of non-cyclists became cyclists through these sessions—in one class alone 17 children went from not cycling to cycling by the end of the course.
- 40 children from year 5 & 6 took part in the week long 'bikeability' training. Learning to be cycle safe and how to navigate the roads around school on their bikes. Numbers up on last year.

KS2 Children taking part in cycle safety programme in the playground before going out onto local streets

Annual Fun Run on the Heath

Sports Day on Hampstead Heath

Year 3 working with NVWQ coaches at Talacre—2018-19

- Morning gymnastics club well attended—we aim to take part again in the Camden inter school competition and continue to improve final positioning as we have last two years.
- Table Tennis club well attended and re-sourced
- Multisports clubs running and well attended for infants and girls
- Annual Sports Day: Reception, KS1 and KS2 full programme of events for sports day on Hampstead Heath.
- Continue high participation levels in Camden Inter-school competitions across all sports.
- Link with local NVQ training provider (Talacre Sports Centre and Camden Sport) leading to whole class sessions with access to multiple coaches throughout academic year with various classes.
- Strong physical activity bias in the 2 school run residential trips—Year 5 to an outdoor activity centre involving rock climbing, swimming, orienteering etc.; Year 6 to Wales for a number of different daily hiking adventures ranging from 7-12 miles in length.
- Increased use of the purpose built MUGA artificial surface pitch which opened in September.
- Planned swimming gala with 4 other schools for year 5/6 in the Spring Term using swimming pool at UCS school.

Left and Middle: Children on Year 5 residential trip to outdoor activity centre
Right: Year 6 to Wales and on a 12 mile forest and coastal path hike

Sustainability

Interest in sports is increasing and through focussing on opportunities for inter school competitions children are keener than ever to take part.

Applications for Sports based clubs is strong and we continue to offer these to targeted children for free thanks to the PE Premium and Pupil Premium funding.

Cycling is raising in profile and more children are cycling/scooting to school than ever (we increased storage available to accommodate).

We now have a 3G MUGA pitch - completed in September 2019. There are no plans to reduce any of the things we offer and we will continue to supplement the PE premium from the school budget to keep the high profile sport now has. Increasing activity levels across the school remains a priority and is complemented through the work we do on healthy eating through our whole school growing project.

Class attending a tour of Arsenal's stadium at the end of their work with the coaches.
