Message from the head

Since I wrote to you in last weeks newsletter, there has been an avalanche of creativity around Fleet! On Friday we finished writing week in style with a visit from Jane Ray. The children had a fantastic time creating some art and then sharing their own stories with her. A big thankyou to Ms Hanfling for all her hard work arranging writing week. The same day Year 5 were playing their brass instruments at the Heath Band Stand and wowing passersby with their musical brilliance! The creativity didn't stop there but continued into this week. Year 6 finished their art project—check out the photos in this newsletter. We've had classes out at the CLC and visiting the October Gallery as well as classes taking part in drama workshops with 'Perform' in school. I really marvel at how amazing my teachers are and how you can really see the thought and creative flair they put into all their lessons to engage the children and broaden their horizons. There's a lot in the press and from OFSTED about a 'narrowing curriculum' caused by testing, well I can assure you, and looking at any of our newsletters proves it week in week out, it doesn't happen at Fleet! Our curriculum is as broad and creative as ever with art, drama, dance, music, science, geography and history central to all our topics. We also had our Sports Day this week. A big thank you to Mr Redfern for organising this and to all of who were able to come along to cheer on the children and especially those grown-ups who were game enough to join in the adult race! After the disappointment of Wednesday evening when it became clear that football was not coming home, here's hoping that England can get us all smiling on Saturday night and win the third place game in the World Cup. Have a great weekend.

Thankyou Year 3 and Camden Garden Centre

Year 3 have obviously been doing well with their persuasive writing. They recently wrote to some local garden centres asking for help with our growing projects and using all their best persuasive writing techniques. We got some great news this week when they were sent a £50 voucher! Thank you Camden garden centre and well done Year 3!

Punctuality Award

This week, our Punctuality award goes to Nursery with no lates! Well done to them, lets see if we can improve on that number next week!

Attendance Award

Our Attendance Award this week goes to Year 2 with 99%. Well done to them! Remember, if your child is unwell or has an appointment, please call the Office in the morning to let us know.

Star of the Week Awards—this weeks winners...

Well done to our 'Stars of the Week'....

The Year 6 Art project inspired by their time in Gower on their residential trip is now up on display. From pastel to paint—pen to print—batik to sewing—even 3D wire sculptures! They have produced some incredible work. When you get a chance go and see the work up in the hall and hanging in the Admin corridor. Well done year 6 and a big thank you to Ms. Bonner for her amazing help with this project.

Sports Day 2018!

Jane Ray & Writing Week

The amazing Jane Ray visited us last Friday for the end of 'writing week'. She has created a piece of art with children from every class that will be going up in our library after the summer. Thanks Ms. Hanfling for organising such a great writing week.

Y6 @ October Gallery

Year 6 visited our favourite gallery this week, October Gallery. As you can see they were able to have lots of fun and let their creative sides loose!
