Friday 14th July 2017

Message from the head

I'd like to say well done to our Year 6 children. Last week we received their SATs scores and were pleased to see how well they had done (we knew they would!). They worked really hard and deserved the good scores they got.

We are almost at the end of term and the children have been getting ready for all the end of term activities. I hope those of you who were able to come along to the two events this week—sports day and the music assembly—enjoyed them. For those, like me, who were unable to be at the music assembly today, I have asked for it to be filmed and will post it to twitter next week.

I'd like to make a final plea for anyone who would like to help the ambassadors with their latest fundraising activity, raising money for a homelessness charity, to make their donation to Lisa in the office. We want to get the money to C4WS in Camden by the end of term.

I am looking forward to this weekends Summer Fair—a huge thank you to the PA and class reps for all their hard work getting this organized. If any of you are able to take on a bigger role in the PA please let them know as this will be Miranda's last event before she leaves London—a huge thank you especially to her for everything she has done to support Fleet in her time here. Have a great weekend and see you for final week on Monday!

Please Help Us!

Miranda steps down at the end of term as Chair of the Parents Association. We need someone (or a team of people who could share the role) to step forward and take it on. They will be ably supported by Ben and Sarah who are Secretary and Treasurer. The Parents Association is a vital part of the school and helps support the whole Fleet community in many ways. If you, or you and friends, would be willing to take it on let us know.

Summer Holiday Cycle Sessions

On Thursday 17th and Friday 18th August, Camden are offering two-day cycle training courses to school age children:

- 10.00-10.45am: starting, stopping and balancing
 - 11.15am-12.00noon: starting, stopping and balancing
 - 1.00pm-2.30pm: control skills, for children who can cycle without help
- All training takes place at Haverstock School, just around the corner from Chalk Farm underground. Children should bring a well-fitting bike and helmet. For further information, including training offers for adults and families, visit www.camden.gov.uk/cycletraining, or send an email to cycleTraining@camden.gov.uk, or call 020 7974 1451.

Last Day of Term—Friday 21st July

Next Friday, the last day of the term, we close at 2pm.

Current Year 5 Parents Secondary Transfer—Meet the Parents Event

We will be holding another Meet the Parents event on Tuesday September 19th from 6.30 to 7.30pm. Families from the local Camden secondary schools will come to Fleet to answer any questions you might have about their schools. It's an informal, panel format but you can also chat to families one to one afterwards if you wish. This event was very popular last year and we would really encourage you to come along and get the "real story" on the local schools. Parents from ALL our year groups are welcome.

Message from the Governors

Governors met last week and welcomed our new parent governor Kirsty Kitchen. We reviewed last year's school development plan and our new one and it is clear that the biggest challenges we face are financial. Nursery funding and our charging policy for after school clubs and other services were on our agenda and we decided to leave these as they are until the next financial year. We approved a range of other policies and looked at the school data on progress and attainment as well as seniors leaders judgements on the quality of teaching and learning. We also received a report on the school following a visit of senior leaders from Rhyl Primary, (one of the schools in our cluster) and a representative from Camden Council. It was a very positive visit and report highlighting many positive things happening in the school.

Acland Burghley—Meet the Headteacher

Acland Burghley is hosting a Meet the Headteacher tea party on Sunday July 16th at a home in Tufnell Park. The school started these events a couple of years ago and they have proved very popular. If you are interested, please come to 114 Huddleston between 4 and 6pm. The head, Nicholas John, will give a talk about the school then answer any questions both as a group and one to one. There will be cake and refreshments. If you have children to bring, the host will kindly lay on a film. Parents from other local primaries are also invited. It would be helpful if you could email Damian if you plan to come. jdwc1428@gmail.com Thank you.

Please Sponsor!

Thanks to any who have sponsored the ambassadors for their fundraising camping adventure in the playground. They're raising money for C4WS, a homelessness charity in Camden. They camped on Monday evening and had a great time. Richard Cotton, the Mayor of Camden, and Nikki Barnett from C4WS came and met the children and were very impressed with their level of insight and the questions they asked. It's not too late to sponsor them, please see Lisa in the office—all the money we raise will go to the great work C4WS do in supporting people who have become homeless to get their lives back on track. See over for photos from the camping.

Leavers BBQ

Next Wednesday (6pm-8pm) is the Year 6 Leavers BBQ. We hope all the Year 6 families will be able to come along and join us celebrate. There will be both Halal and Non-Halal food available.

Attendance Award

The award for this week goes to Year ?? Class with ??%. Well done to them—fabulous!

IMPORTANT DATES

Y6 Leavers Assembly (2pm):	19 July
19th July	Last day of term (2pm finish):

FLEET PRIMARY SCHOOL

SUMMER FAIR

SAT 15TH JULY 2017
12:30PM

ALL WELCOME
FLEET PRIMARY SCHOOL, FLEET ROAD, NW3 2QT

Sponsored Camp out!

This week we held our 'new look' sports day. I hope you all enjoyed it as much as the children did. The weather was kind and the rain held off until the end when we all got a bit wet! It didn't take away from the fun though. Congratulations to all the children for being such good sports and especially to Lilly and Jack in Year 5 and Ahmed and Noa in Year 6 who were spotted many times being fantastic at encouraging their team mates and the younger children. The Yellow team were the overall winners, just beating the other three teams. Thanks to all of you who were able to come.

Fleet Sports Day!

Delicious Dips with Irena Macri!

This week Year 1 had a fantastic day working with Irena Macri, author of successful cook books such as 'Happy Go Paleo'. They spent the day making dips from different types of fruit and vegetables and then did a taste test. The children were fantastic, and in Irena's words they, "...have a very sophisticated palette!" It was a lot of fun and the dips were very tasty! Thanks so much for coming in
