

Message from the head

It was fantastic seeing so many of you enjoying the disco on Friday (thanks to all of you who helped organize and run). Then, this week many of you were able to come in and enjoy the children's home learning projects on display in the Hall. This morning I saw lots of parents in the Reception open morning reading with their children and many of the Year 3 parents in for their show. It's truly wonderful that you are all so involved in the life of the school and on behalf of all the staff, I'd like to thank you for making Fleet a true community. The PA are looking for help with the upcoming Summer Fair and I know you will all rally to help. I'd like to take this chance to wish all our Muslim families a happy Eid as their Ramadan fast comes to an end. We don't yet know if this will be Friday or Saturday—which is why we are sending the newsletter home today—but whichever it is, we hope you have a wonderful time celebrating with family and friends. To everyone, have a great weekend and I look forward to seeing everyone back on Monday.

Parent Microscopy Workshop—19th June

On Tuesday 19th June, Year 6 will be taking part in a microscopy workshop in the morning and there will be an opportunity for the children to share what they have learnt in a workshop for parents in the afternoon. The parent workshop will take place from 3:30-4pm in the Qube and it will be a lovely opportunity for the children to show off their new science communication skills. All parents welcome - not just Year 6!

Does your child play musical instrument yet?

Camden Music Service offers a range of instrumental lessons at your child's school. Lessons take place conveniently in school time, and once your child has been learning for a term or two, there are lots of music activities they can join to extend their learning and enjoyment. You can see full details of what is on offer at your school at www.camden.gov.uk/musicservice and you can apply from there also. Camden Music will contact you with the offer of a lesson as soon as a space becomes available.

Playing a musical instrument is about more than music. It can support your child's literacy and numeracy development, helps with concentration, co-ordination, memory and mood, and can lead them to a career or be a lifelong, satisfying activity where they will make friends. Give your child the gift of music – visit the Camden Music website today.
