Message from the head

Calling all parents, school staff, students, governors and councillors

Stand up for our schools Say NO to education cuts

Come to **THE BIG SCHOOL ASSEMBLY**

Tuesday 23rd May

5:00pm
Tallacre Gardens,
Prince of Wales Rd,
NW5 3PH

Speakers from local schools and trade unions

Next Tuesday, there is an event in Talacre Gardens about School Funding organized by the National Union of Teachers. Many of the staff at school will be walking down from school for the 5pm start. It would be great to see parents there too. Some of you may be aware of the funding problems facing schools and this is a chance to hear more and show support. I will be going along, if you are free, come along too. See the posters up around school for more information.

This week we had a great assembly from the Camden Health Kick Project. This 3 year project is being co-ordinated by Queens Crescent

Community Association, Kentish Town City Farm and Castle Haven Community Association. They're offering free and low cost healthy living services to all. They told the children about some of the activities they will be running; healthy cooking classes, horticultural sessions, sports sessions, gym sessions and (most popular with the children) horse care sessions! Their program is running from June, so when we know more we will put up a poster and give information in the newsletter. Sounds like a great project and one that hopefully the Fleet community can get behind. You will see the gate has now been finished. As you may have encountered, if you have come to school during the school day, the way-in once through the main gate is to go right down the ramp, past the pond and into the office from the nursery side. Have a great weekend.

Music Tuition

At Fleet the children get a rich music education including whole class tuition in Years 3 (ukulele), Year 4 (recorder) and Year 5 (trumpets and trombones). On top of this there is the chance for parents to sign up and pay for individual instrument tuition in violin, piano, guitar and drums. These lessons are provided by the Camden Music Service and the teachers come to the school. The lessons are taught during school day. Costs are:

10 x shared lessons = £76.50 per term

10 x 20 minute individual = £102.00 per term

10 x 30 minute individual = £153.00 per term

There are subsidised places (50% off) for children on Free school meals. If you would like to know more speak to Lynley or:

Year 3&4 Football Team

Well done to the Year 3 and 4 football team who were real ambassadors of the school last week at the Camden Football Competition at The Heath.

Highgate Woods with Y3!

Year 3 visited Highgate Woods this week for a plant workshop and made the most of their time there with some sketching.

Going on a lion hunt...

Reception have been on an exciting Lion Hunt this week. They took their binoculars, safari hats and raincoats and set off around school on their hunt. They checked the junior playground and the Quiet Garden, searching behind each bush and tree. They tiptoed along the corridor, past Mr McGibbon, past Lisa in the Office and into the Infant Playground. They thought the lion could be hiding behind the shed but he wasn't there. Next, they crept past the pond, in the rain and through the new green gate. Their safari scouts saw some tracks on the grassy hill. There they found a cave.... and inside the cave there was a lion! Thankfully he's a friendly lion so they may go on a lion hunt again!

Planning a fair test!

Year 4 are investigating sound proofing materials by planning a fair test. They're all set to go and will do the test next week.

Our own superstar!

Congratulations to Luke. You may have spotted him in the Camden Journal this week holding the cup he won with his under 9s team, Sapo Verde. Luke scored one of the goals in their 3-2 win.

Year 6 visited the Heath this week and gathered materials to create some 'nature art'. They were inspired by the work on Andy Goldsworthy.

Inspired by Nature!

Following Ms. Budd's introduction of the Race to Health to the KS2 children in assembly this week we received this message: **Week 2 of Race to Health 2017: Around the World in 80 days** is almost complete and pupils around Camden and Islington are energetically taking on the challenge! Congratulations Fleet Primary, your school is currently 4th in the race with a total of 29787 active minutes logged and 2653 miles completed meaning that as a school you've travelled from London, through France and Italy and are now en route to Yemen. Well done Class 6, you are currently leading in front as the most active, with class 4 in second place. As a further incentive, as well as the overall Race to Health Trophy for the winning school, we also have a **trophy/medal for the top point scoring boy and girl** in each school. Keep up the good work!

'Gutsy' Year 6!

Y6's went to the Science Museum this week to learn about the digestive system. They had to have real 'guts' to take part, as it involved getting squirted with 'saliva', setting fire to carbohydrates and seeing inside a real human stomach and rectum!
