

Message from the head

I still can't quite believe that this is the last newsletter of this academic year. Only 3 more days before we break up for the Summer holiday. It has been such an action packed year, with so many fabulous memories and events. I can't wait to see the first copy of the 'Fleet Beat Magazine' which will be sent home to all families on Wednesday. A huge thank you to Cathy and Kate who worked so hard on this project and the Year 5 children who drove it forward. We are very proud of all the children and staff who have worked so hard this year.

I would like to say a heartfelt thanks to all of you for your continued support this year. Whether it was coming to events, helping out on trips or helping to raise money through the PA— all these make such a difference to us, knowing that we have your support and helping us to achieve the best outcomes for our children. Thanks to your help, we are able to offer the children the varied and richly creative curriculum we are so proud of at Fleet.

I'd like to take this opportunity to say thank you, good bye and good luck to Mr Redfern who will be leaving us for new adventures at the end of term. His drive to raise the profile of health and exercise in the school has been greatly appreciated, as has his work as a fantastic Year 2 teacher. He will be missed. Also good bye, but just for now, to Ms Webb who is going off on an adventure for the year. She may be back for a few weeks in September to help out a bit, before she leaves on her travels around Europe, but she'll be back properly in 2019 in time for the following school year. She has been amazing in our Year 1 class these last few years and will be missed while she is gone.

Finally, I would like to take this opportunity to say goodbye and good luck to any families leaving us, especially the Year 6s as they move on. It has been our pleasure to watch your children grow and mature into the fine young people they have become. As I watch my own son moving on to Year 7, the first of my children, I can empathise with the hopes and fears you must be feeling as you watch them grow up and take the next step into their futures. We will miss them.

I hope you all have a wonderful summer, whatever you do (if you are looking for ideas of things to do check out the information on the following page) and we look forward to welcoming you back for another action packed year on Wednesday 5th September.

Message from the Governors

At Governors this week, we reviewed our own work over the last year and decided to restructure our Governing Body into two new committees: Staffing and finance and Curriculum and Standards. We also discussed a very detailed report from Don about the things that have happened at Fleet this year and some of the plans for next year. We approved complaints and whistleblowing policies and agreed to Meat free Mondays from September.

Fleet Beat Magazine—coming soon!

Here are year 5 proudly showing off the cover of the first ever Fleet Beat magazine. It is currently being printed and every family will have a copy on the last day of term. They can't wait to hear what you think!

Weekly Punctuality Award

This week, our Punctuality award goes to Nursery & Year 2 with just 1 late each! Well done to them, let's see if we can improve on punctuality overall next term!

Weekly Attendance Award

Our Attendance Award this week goes to Year 5 with 97%. Well done to them! Remember, if your child is unwell or has an appointment, please call the Office in the morning to let us know.

Meat Free Mondays

From September, Fleet's menu will have a 'Meat Free Monday'. Please look out for the new menu which will be up outside the dinner hall from the beginning of next term.

Next Year's Year 5 & 6 parents

There is a Moving On to Secondary School event at Haverstock Secondary School, 24 Haverstock Hill, Chalk Farm, London NW3 2BQ, on Thursday 20th September 2018, from 4pm to 6:30pm. This is your opportunity to: Find out more about what Camden Secondary Schools have to offer; Receive advice on how to apply and the admissions process from the Camden Admissions Team and the Special Educational Needs (SEN) Team; Speak with headteachers, student ambassadors and staff from each of the Camden Secondary Schools. Please register for a free ticket at www.eventbrite.co.uk and search for Camden Moving on.

Meet the Parents

Our annual Meet the Parents event will be on Tuesday September 25th from 6.30pm to 7.30pm in the Hall. Families from the local secondary schools in Camden will be here to give you the most up-to-date information about their school experience. This is an opportunity to hear what schools are like from parents and children in them now. Parents from all year groups are welcome at this invaluable event.

SUMMER HOLIDAY FOOTBALL CAMPS

BLOOMSBURY FOOTBALL ACADEMY X ACTIVE DAY CAMPS

Bloomsbury Football Academy in association with Active Day Camps are bringing you the perfect way to keep any budding young footballer busy and active over the summer holidays!

A typical day at camp will involve a morning of drills and practices based around a specific skill or technique such as dribbling, finishing or passing. This is followed by an afternoon of small-sided matches and tournaments either side of a lunch break.

State week/s (1-4)

The amazing 'Black and Gold' Year 6 band rocked the Camden Primary Band Festival at Regents High this week. They played two songs—'Believer' by Imagine Dragons and 'Attention' by Charlie Puth. They were fantastic. Check out our Twitter account to see the performances in full.

Ladies and Gentlemen...The Amazing Black & Gold!

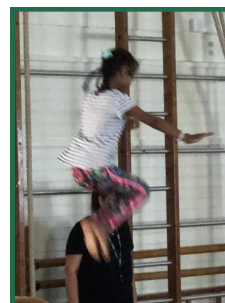

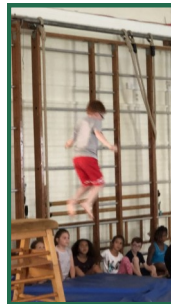

Capture the Flag in Year 3&4

Year 3 & 4 have been having 'Capture the Flag' battles over the last few weeks. This week they went up to the Heath as an end of term treat to play one last time. It ended in a very well contested draw!

Amazing Assemblies!

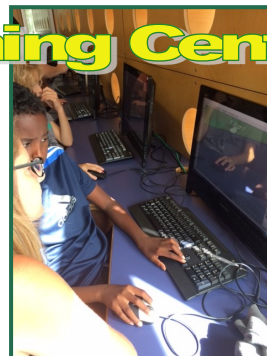

In the last week, we have been treated to some incredible assemblies—we've had the brilliant dancers and gymnasts, as well as the fantastic singing assembly for parents. This afternoon we had the last big assembly event of the year in the shape of the Year 6 leavers assembly. They have been sounding amazing in their rehearsals and we're sure the event itself will have gone brilliantly. Thanks for coming along and enjoying these events with us, not just recently but all year long—the children seeing you there to support them means so much to both them and us.

Nursery had a fabulous sports day on the Heath this week—as did their parents by the looks of the picture at the bottom!

Nursery Sports Day 2018!

Y6 @ The Camden Learning Centre (CLC)

Year 6 had their last trip of their primary school career this week to the CLC. They had a lot of fun using 'Google Sketch Up' and whosed a high level of programming sills. More than ready for the next step in their Computing curriculum at secondary school

Fantastic Attendance All Year!

A huge well done to the following children, who, as things stand today, have 99% attendance or above. 99% for a year represents missing only 2 days all year. We know that attendance is closely linked to attainment, so it is really important that children are in school as much as possible. With only 3 days to go until the summer lets see if these children can keep it up right to the end and make it into the prize draw for our overall attendance prize in Wednesday's assembly.

Always on time...

Thanks to all of you who have tried so hard this year to be in school on time. It makes such a difference, not just to your child's day, but to the rest of the class when children aren't arriving late. Almost 30% of the school have not been late once all year! Lets see if we can increase that percentage next year.

Star of the term awards...

This term's winners...

Well done to these children who have been chosen by their class teachers to be the 'Star of the Term' - for consistently doing the right things and being role models for the other children in the school. Teachers found it really hard to pick just one for each class as there are so many children at Fleet who fit this description!

Reception—Jacob

For always being such a wonderful friend, trying your best with your learning and growing in confidence every day. You are a lovely member of the class. Well done!

Year 1—Asma

For always being a kind, honest and fun member of the class. You are always so helpful and really look after your classmates. I will really miss you next year. You are such a superstar!

Year 2—Isabelle

You are such a role model to the rest of the class. You are consistently kind to others (so much so your classmates all chose you as an example of 'someone who shows kindness'). We have loved watching you flourish this year. You have become a mature and resilient learner and you are always keen to throw yourself into everything you do!

Year 3—Misa

For making such fantastic progress over the year. It must have been daunting to join a new class, in a new country and with a new language—but you've thrown yourself in and have become a well loved member of the class. Your progress in learning has been amazing and it has been a pleasure to watch your confidence and independence grow. Well done!

Year 4—Mishkaat

For having consistently high expectations of yourself in all subjects, a dedication to learning and steely determination. It has also been a joy to see your personality blossom this term - you've come out of your shell and your humour and wit have made us all laugh! Thank you for being a great classmate and a wonderful student!

Year 5—Sadie

For always putting 100% effort in to everything you do. You approach all tasks with enthusiasm and a determination to do your best, never settling for less. You have also shown great maturity and kindness this term, which makes you a fantastic role model and an asset to the class. Well done!

Year 6—Amber

For ALWAYS being an excellent role model to your peers. You have such a positive and mature approach to your learning and school life, which is serving you well. You have been a superstar this term and I know I can always rely on you to show others how it's done! Well done, you!
