Message from the head

It's been another busy week in the run up to the Half Term break. Year 5's had a brilliant time in Sayers Croft, while our Year 6's were visited by Rev Browne to talk about RE, and our Nursery, Reception & Y1 children had a special visit from the Dogs Trust. We hope you have a lovely half term break and we look forward to seeing you all back on Mon 30th Oct!

Fleet Governors

We had our first Governors meeting last week. Mr McGibbon explained to Governors the difference between attainment and progress and gave us lots of information about how these are going to change over the next few years. We discussed the school development plan and the self evaluation as well as our results from last year's tests. We also approved several of our policies - if you are interested they are all available online and once the minutes are approved, these will be on there too.

Would you like to teach?

Are you interested in Training to Teach? Here in Camden we run our own outstanding primary teacher training programme (PGCE) in conjunction with UCL/IOE where you will get the chance to train in fantastic local schools. Winter Fair—Saturday 9th Dec 12-3pm

The Parents Association met last Friday to discuss ideas for this year's Winter Fair being held on Saturday 9th December. This year will be another fabulous event with something for everyone: food, drinks, activities, golden ticket prize auction and plenty of goodies for sale! We will soon be looking for donations of hamper items as well books, home produce, biscuits, cakes, mince pies, wine, bric-a-brac, toys, games and items suitable for lucky dip and tombola. We will put boxes in classrooms for donations and a sign-up sheet so that you can register your interest in helping out beforehand and on the day. In the meantime, please have a think about how you can help your school community and start putting those donations to one side! We will begin collecting after the half term break.

If you have any new contacts who can donate great prizes or vouchers for gifts or services or can contribute food, beverages or quality goods, please contact Sara O'Keefe, Anna Price or Alison Kenter on 07380 857 002 - or find them in the school playground on Fridays!

Writing in Year 3

This week Mr McGibbon visited Year 3 to watch one of their Literacy lessons and was so impressed with the work they were doing on Myths. The class had to include a hero or heroine, a problem and a beast. Here are some of the myths they have written and are going to publish at the end of the week:

Then she saw something moving in the sand with a tiger body, 3 snake heads, 6 wings and the tail of a whale. Then suddenly the beast charged at her but luckily she quickly sliced it in two. For proof she took the 3 snake heads home.

Alesheus saw a poster that said go and kill a horrifying monster and you can get thousands of pounds. She spoke to the King about it and the King said "you must be crazy, no girl can defeat him". Alesheus was furious so she went to look for the monster.

Many moons ago, there was a normal girl called Nomathena. She lived in a temple in Thessaloniki without her mum and dad. Nomathena didn't know but her dad was Hades and her mum was Persephone.

Year 3 & 4 Benchball

12 children from Fleet took part in a Benchball competition at Talacre on Wednesday. They played in mixed teams with children from other schools, and the cooperation and teamwork on display was amazing! Well done to everyone who took part.

Year 2 visit to the London Fire Brigade Museum

Y2 had an amazing trip to London Fire Brigade museum yesterday. We acted out the story of the great fire of London with a really cool storyteller. We made ourselves into chains of buckets, fire, tower bridge and people fighting the fire!

Reception

Well done to Millie & Tabby for their fabulous Birdhouse designs!
