

## Message from the head

The year has flown by and we are at the end already—can't quite believe it. Thank you to everyone for making my first year at Fleet so enjoyable. We say goodbye to our Year 6 children and I really enjoyed being part of their final year and seeing them grow and develop as mature young people over the course of the year. Their leaving assembly was fantastic, as was their BBQ. I wish them all the best of luck and look forward to hearing about their further successes at secondary school. We also say goodbye to some amazing staff members—Shelia, Karen, Lisa P, Jo, Sinead, Lisa D, Katherine and Tammy—you will all be missed. Whatever you are all doing with your summer, I hope you are able to spend some good, quality time with your children. If you are staying in London there is lots to do in this wonderful city to keep you occupied and if you are travelling further afield, I hope you have a fabulous time. We look forward to welcoming you all back on Wednesday 6th September and hearing all about your adventures!

## Thank you

Last Friday, after the Music assembly, the staff had a small get together in the QUBE to say goodbye and good luck to the amazing staff leaving us for pastures new and new adventures. They have all given so much to Fleet and we will miss them. The music assembly was a great way to say thank you and good bye.

## Parents Association

Next year we really need people to step forward and take on the role of running the Parents' Association. This role could easily be shared by two or more people if you feel that it's too much to take on. Miranda leaves the role having helped to set up a great team who can support the people who take on the challenge. Ben and Sarah, who are Secretary and Treasurer, will be there to support and the systems they've helped set up mean it should all run smoothly with a little bit of work. The Parents Association is a vital part of the school and helps support the whole Fleet community in many ways. If you, or you and friends, would be willing to take it on let us know.

## Summer Holiday Cycle Sessions

On Thursday 17th and Friday 18th August, Camden are offering two-day cycle training courses to school age children:

- 10.00-10.45am: starting, stopping and balancing
  - 11.15am-12.00noon: starting, stopping and balancing
  - 1.00pm-2.30pm: control skills, for children who can cycle without help
- All training takes place at Haverstock School, just around the corner from Chalk Farm underground. Children should bring a well-fitting bike and helmet. For further information, including training offers for adults and families, visit [www.camden.gov.uk/cycletraining](http://www.camden.gov.uk/cycletraining), or send an email to [cycleTraining@camden.gov.uk](mailto:cycleTraining@camden.gov.uk), or call 020 7974 1451.

## Open Britain

This week Sarah (mum of Louis, Charlie and Joe) organised an event for 'Open Britain'. This is a cross party group who campaigns to keep close ties with Europe and prevent a 'hard' Brexit. Gina Miller was the guest speaker. They used our hall as a venue and had 100 people from the local community attend. As a thank you, they have donated much of their profits from the night to the school. Much appreciated.

## The Flying Fleet Girl!

A huge congratulations to an ex pupil, Sophie Kamlisch. She broke the world record on her way to winning a gold medal in the 100m T44 category at the World Paralympic Championships in Stratford this week. Her record time of 12.9secs was phenomenal! She came to Fleet for her primary school years and the staff who taught her remember her fondly. Ms. Budd said, "She was an amazing child when I taught her and clearly hasn't changed!". Well done Sophie, Fleet is

## First Day of Term 2017-18 Wednesday 6th September

## Current Year 5 Parents Secondary Transfer— Meet the Parents Event

We're holding another Meet the Parents event on Tuesday 19th September from 6.30 to 7.30pm. Families from local Camden secondary schools will come to Fleet to answer questions you may have about their schools. It's an informal, panel format but you can also chat to families one to one afterwards. This event was very popular last year and we'd really encourage you to come along and get the "real story" on the local schools. Parents from ALL our year groups are welcome.

## Attendance Award

The award for this YEAR (2016/17) goes to Year 6 with 97%. Well done to them—fabulous!

## TERM DATES 2017-18

Autumn Term	Spring Term	Summer Term
First Day: Wed 6th Sept	First Day: Thurs 4th Jan	First Day: Tues 17th April
Half Term: 23rd–27th Oct	Half Term: 12th–16th Feb	May Day: 7th May

Nur—Yara, Rec—Milly, Y1—Nida, Yr2—Charlotte, Y3—Mishkaat, Y4—Letizia, Y5—Ahlam, Y6—Tess

# Summer Fair

Our annual Summer Fair organised by the PA was fantastic and raised an incredible £3400! The PA and school would like to say an extra special thank you to Tony for being there start to finish, and helping to make it such a suc-

cess!

Miranda would also like to say thank you to the hard-core group of parents and teachers who really put themselves out to help with organising, working so hard during and clearing up after the fair. And for making her time running the PA good fun! We would like to echo those sentiments.

THANK YOU FOR YOUR SUPPORT  
FLEET PRIMARY SUMMER FAIR

## 100% Attendance Superstars!

We'd like to recognise the amazing efforts of the children below who have managed to get 100% attendance this year. You have all helped us reach our attendance target for the year and these children have managed, even when they have felt a little under the weather, to soldier on and come to school. Well done to all of them.

## From the garden this Week!

Year 5 have been cooking pizzas using ingredients from our vegetable plots—they looked and tasted amazing! Well done to them all—a few budding Masterchef's in our midst perhaps! We also had a pop-up vegetable stall on Tuesday where we sold some of our veg and made £18!

## Para Athletics

Year 5 had a great day out at the Para Athletic World Championships at the Olympic Stadium in Stratford this week. It was very exciting and they saw many inspirational athletes.
