

# Fleet News

Friday 24th February 2017

## Message from the head

I hope you had a wonderful break over the half term. It's been good to be back and see the children straight back into their learning. I was so disappointed to miss the year 6 assembly this week, the children did incredibly well. I'm really looking forward to seeing the amazing home learning projects come in on Monday. Surely the standard set last term can't be repeated! Hopefully you will be able to come see them next Tuesday in the hall when we display them. Friday is International Food Evening. It will be my first at Fleet—I've heard it's a great evening with lovely food and company. I've ordered some Haggis especially from where I grew up in Scotland so if you've never had any, come along and try the best in the world! Have a great weekend.

**INTERNATIONAL FOOD EVENING**

**FRIDAY 3RD MARCH 6-8PM**

ENTRANCE FEE = INTERNATIONAL FOOD DISH  
BRING ENOUGH TO SERVE YOUR GROUP

ALL WELCOME. MAIN HALL. LIVE MUSIC. PAY BAR

If you are able to help staff and PA set up or with serving on the night speak Miranda on the PA or Lisa in the office

## We want your junk!

Year 6 are starting their 'junk' instrument project next week. If you have any of the items in the list below please bring them in on Monday so the children can include them in their project.

### The type of things we need!

- Bed or futon bases
- Old plastic plumbing pipes
- Wooden Cots
- Tubular document holders (plastic)
- Table frames – wood or metal
- Old slates – real slate only
- Metal legged chairs
- Wooden Airers (for drying clothes)
- Saucepans, metal bowls and trays
- Planed wood – hard or soft
- Biscuit tins
- plywood
- Tin cans

## Attendance Award

The award for this week goes to Year 6 (again!) with 98%. Well done to them—fabulous! Keep up the great attendance!

# WANTED

We are hoping to take delivery soon of the materials to build raised beds for the school growing project. Our governor, Caroline Kennedy, has been working tirelessly making links with businesses and has managed to secure a donation of materials from Homebase. Once they arrive we are going to spend a Saturday putting them together and filling them with soil, ready for planting. So, now comes our plea!

**Wanted: half a dozen parents/carers/children who can give up a few hours on a Saturday (some of whom have a power drill) to assemble raised beds...**

We are looking at either the 11th or 18th March. If you're able to help, please let the office know.

# HOME LEARNING

Home learning projects for children in Year 1 to Year 6 are due in this Monday. We can't wait to see the amazing projects the children have been working on.

We'll be displaying them in the hall before school on Tuesday and again after school that day so please come along and have a look.

## Fleet Book Week & Book Day!

Next week we are celebrating Fleet Book Week. There will be a number of different activities going on during the week across school. Although it's world book day on Thursday we will be celebrating on Friday as a good end to the Book week. We invite all the children to come in to school in fancy dress on Friday as their favourite book character, so get your dressing up bits ready!

## Diary Dates...

Fri 3rd March - International Food Evening

## Assemblies

Fri 3rd Mar—Y4  
Fri 10th Mar—Y3  
Fri 17th Mar—Y2

Half Term: 29th May—2nd June  
First day of half term - Tuesday 6th June  
Last day of term: 21st July

Staff inset days:  
18th April, 5th June

## Star of the Week Awards—this weeks winners...

Well done to our 'Stars of the Week' for their hard work and effort in class.

Rec—Eva, Y1—Rosa, Yr2—Francesca, Y3—Imran, Y4—Mohammed, Y5—Kamalesh, Y6—Hanna

Reception children have reported finding an unusual object in their garden! Mr Dorado told us that during the half term holiday he heard a loud, booming noise one night and saw some flashing lights in the sky. We are investigating this strange event and the children have a few ideas about what it could be.....

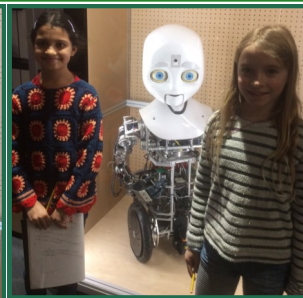

Sara said, "I thought it was part of an alien saucer"  
Ben thinks "it's a big, ginormous rocket"  
Isabella thinks that it could be a "silver asteroid"

We mostly agree that it has come from outer space and we are excited to find out more about this mysterious object.

Reception class would also like to thank the PTA for kindly giving us the money to buy two cool MARS EXPLORER spacesuits. We think they look great and we're going to go on some exciting missions this half term.

Unusual goings on in the Reception Playground...

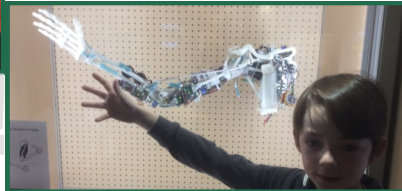

This week Year 4 went to the Science Museum to see the new Robots exhibition. It was amazing! If you haven't seen it, get yourself down there—some are very lifelike!

## Invasion of the Robots!

POP  
ART  
VOLCANOES

In year 3 the children have been creating 'pop art' volcanoes. We're sure you will agree, they are great! These two were created by Tayyiba & Lina.

## A Message from Seedling School, Kenya!

You may remember last year Fleet raised money to buy chickens for Seedlings School in Malindi, Kenya. Year 6 have been writing letters to the children and their latest ones have arrived at Seedlings. Richard, Sam's dad, has heard from Diana at the school and that, "The children are elated." Diana also sent through a picture of some eggs and said that they are now getting chicks and eggs from the chicken. They've a total of 13 chicks: 5 direct from laying & 8 from an incubator. They have also collected 30 eggs! The plan is to be collecting 5 eggs daily

## Fleet's Football Stars!

This week some of our Year 6 children this week had the opportunity to take part in a football competition organised by

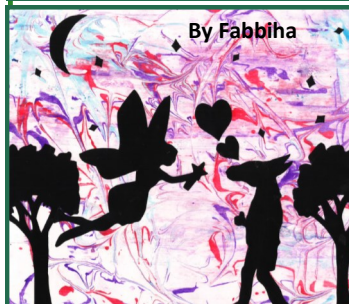

Arsenal and the Premier League at Market Road. They even had the chance to meet Gunnersaurus! Well done to them all for putting in such a great effort!

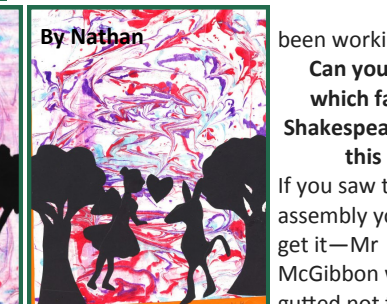

By Masuma

By Zara

By Fabbihah

By Nathan

These amazing pictures were created by year 6 based on the story they have

been working on. Can you guess which famous Shakespearean story this is?

If you saw their assembly you should get it—Mr McGibbon was gutted not to see it,

it was amazing! How could it not be with such amazing players!

## Amazing Artists & Players!
