

Don't forget—
Monday 5th INSET
Day—children back
on Tuesday 6th June

Fleet News

Friday 26th May 2017

Message from the head

I can't quite believe we're already at the end of the half term. Only one half term to go until the summer but it's a very busy one—PTA Disco, Sports Day, Summer Fair to name just a few of the events taking place. Please keep a note of the dates of these events to make sure you and your family can make the most of them and support the school. After the tragic events in Manchester this week, it's more important than ever that we, as an example of a fantastic diverse community that works well together, celebrate our differences and come together. The fairs and other school community events help us to do this. We are the role models to our children and when we promote an inclusive and accepting attitude our children grow up to copy that. If you are discussing recent events with your children then there is some good guidance provided by 'Childline' on their website.

This week I visited the Year 6 children on their residential trip in Gower. The weather was incredible and that part of Gower must be one of the most beautiful places in Wales. The children were having a great time, going on long walks, playing in the sea, then dining on a three course meal every evening in the hotel dining room! When they get back today they are going to be exhausted but very, very happy. They will remember this week for a very long time. We know how difficult it can be to release your children for the week in Year 5 and 6 for these residential weeks, and we would like to thank you for doing so. It is the first step for many of them onto the road to being more independent and preparing them for secondary school.

I hope you all enjoy the half term break—maybe the sun will stick around so you are able to get out and enjoy all that London has to offer, while at the same time sending a message to those who would have us live in fear—we won't give in to hatred but instead celebrate our wonderful city and country. We look forward to seeing you all back on Tuesday 6th June.

FLEET PRIMARY SCHOOL

SUMMER FAIR

SAT 15TH JULY 2017
12-3PM

ALL WELCOME.
FLEET PRIMARY SCHOOL, FLEET ROAD. NW3 2QT

BBQ

Afternoon Teas, Cakes & Strawberries

Music Tuition

At Fleet the children get a rich music education including whole class tuition in Years 3 (ukulele), Year 4 (recorder) and Year 5 (trumpets and trombones). On top of this there is the chance for parents to sign up and pay for individual instrument tuition in violin, piano, guitar and drums. These lessons are provided by the Camden Music Service and the teachers come to the school. The lessons are taught during school day. Costs are:

- 10 x shared lessons = £76.50 per term
- 10 x 20 minute individual = £102.00 per term
- 10 x 30 minute individual = £153.00 per term

There are subsidised places (50% off) for children on Free school meals. If you would like to know more speak to Lynley or:

Call the Camden music service on [0207 974 7239](tel:02079747239)

Web Address: www.camdenmusic.org

Email: camdenmusic@camden.gov.uk

Thur 15th Jun Y3 Class Tea
Fri 16th Jun Y3 Assembly
Thur 22nd Jun Y2 Class Tea
Fri 23rd Jun Y2 Assembly

Star of the Week Awards—this weeks winners...

Well done to our 'Stars of the Week' for their hard work and effort in class.

Rec—Ivana, Y1—Alfie, Yr2—Alesha, Y3—Lina, Y4—Iqra, Y5—Rahmina, Y6—Noora

Last week at Fleet we had a focus on Science as part of our Summer Term Science week. One of the events was that we were visited for the day by a scientist from the Crick Institute. He worked with a number of classes. The pictures below are from the work he did with Year 3 about skeletons and a water transportation investigation that led to blue celery!

Fleet and the Crick!

While the scientist was here our year 5 class paid a visit to the Crick Institute itself for a fun filled day of science. They donned lab coats and were able to carry out experiments in a proper lab. Thanks to the Crick for their support.

A big thank you to Noora & Mae who set up the new wormery this week.

Nursery!

Nursery have been learning to talk about the things they have observed and to show care and concern for living things. Last week they went up to the Heath to see what they could find. They were super careful when bug collecting! Then this week they were pond dipping in the school pond. They saw lots of different plants and bugs and even saw two eggs that our visiting duck had laid in the

water! We contacted the RSPB to see what we should do. They said that because they were in the water they wouldn't hatch. That was a shame—we'd have loved to have some ducklings!

Cooking club have been getting very advance lately—they took on the task of making Swiss Rolls (which is Key Stage 4 level cooking). They proved to be very popular! Well done to them all.

Masterchefs!
