Message from the head

On Thursday we had a visit from Jon Abbey, Managing Director of Camden Learning. It was great to welcome Jon to Fleet and show him around our wonderful school. He really enjoyed his morning with us and especially the Year 1 show. It's easy to forget how wonderful the termly shows are that each class put on, but I assure you it is not the norm for each class to do so much performance throughout the year—it's why they are such confident speakers and performers by the time they leave Year 6. You can really tell the effort put in and enthusiasm the children have for these events and I thank you all for coming in such great numbers every time to watch your children. It makes them so happy to see you sitting in the audience. Tomorrow we have our Summer Fair. Events like this are another sign of how much you support us as a school. Thanks to the PA's fundraising efforts, we are able to ensure that our curriculum is as wide and varied as ever and that we continue to be able to offer as many trips and projects as we do. I look forward to seeing many of you there. I know some of you are wondering about next year's classes. We will be sending a letter home towards the end of next week and shortly after, starting to do some transition work with the children and teachers. Enjoy your weekend.

The amazing Year 1 show—Fe Fi Fo Fum!

Camden Apprenticeships

Our team provides a free recruitment offer to local employers, supporting them to create apprenticeships and find high quality candidates. We also provide support to Camden residents and school leavers, assisting them into these roles. Recent changes to apprenticeship funding mean that apprenticeships are now available to anyone aged 16 – 65, and can be a particularly attractive option for parents looking to get back into work. For more information contact:

WANTED in Nursery!

You may have spotted some fantastic 'WANTED' posters around school this week. Well done to Nursery for these brilliant posters.

Punctuality Award

This week, our Punctuality award goes to Year 1 with 3 lates! Well done to them, let's see if we can improve on that number next week!

Attendance Award

Our Attendance Award this week goes to Year 3 with 98.89%. Well done to them! Remember, if your child is unwell or has an appointment, please call the Office in the morning to let us know.

Summer Fair Announcement from the PA

The Summer Fair is tomorrow! Thank you to all you wonderful parents who have signed up to donate your time. We appreciate your generous support. If you haven't signed up yet, you can always come along and help out on the day! It is sure to be a smashing day with plenty of sunshine. As well as hats and sunscreen, bring along any last minute donations plus salads and home baked goods to the fair when you arrive. Be sure to bring lots of gold coins for all the fabulous food and entertainment we have planned: bouncy castle, games and ice creams plus Pimms and homebaked cakes for the perfect afternoon tea. Don't miss out on Fleet's famous home-made salads and BBQ: plenty of vegetarian and halal options so come on down and have your fill. Look out for the list of raffle prizes in your child's school bag. So many generous donations from the local community mean that you are more likely to win a prize in our raffle or in the golden tickets auction. We look forward to seeing you there from 12 to 3pm. Many thanks from the Parents' Association.

Dates for your calendar this term

3rd July	Year 1 to Hampstead Heath (am)

Well done to our 'Stars of the Week'....

Rec—Yara, Y1—Mohamed, Y2—Maya, Y3—Ijaz,
Y4—Tayyiba, Y5—Iqra, Y6—Samaale

Digital Music in Year 4

While our music studio may not be quite finished and ready to

use yet (we're getting very close!) that doesn't mean our music technology teaching isn't happening. Here are Year 4 using music composition apps on the iPads with Lynley—they sound fantastic!

A huge thank you to Camden Active (and especially Mickey and Isabelle's dad) for inviting our Year 2 class to Talacre this week for a sports morning. We look forward to doing more together next year.

Cluster Music Festival

This week we hosted a Camden Music Cluster festival. We had children from New End, St Dominics, Carlton and Kings Cross Academy come along to a very hot hall! They sang and played beautifully. Well done to our Year 3 class who were our representatives in the event.

Year 5 @ the Crick

After the Crick visited Fleet last week to deliver workshops with different classes, Year 5 had the opportunity to visit the Crick Institute itself in Euston. As you can see, lots of scientific enquiry took place. What a great experience—thank you to the Crick for having us!

We are very proud of our Y5 & 6 female mathematicians who came

first in the Logic Round and second overall at the Mega Maths Morning at Parliament Hill school this week. Well done

Marvellous Maths!

Year 5 @ October Gallery

Kew Gardens - budding photo-journalists!

This week Year 4 visited Kew Gardens in glorious sunshine to visit the palm house and the treetop walkway as part of their Rainforest topic. While they were there, the children took photographs to document their

visit. These brilliant pictures were taken by Josie and Nadia. Well

Photos by Nadia & Josie

done girls—you've got a good eye!
