Message from the head

Today you should have received, along with this newsletter, a letter detailing some of the changes in staffing for next year and also the details of which teachers will be with which class from September. While we are saying goodbye to some fantastic members of staff who are moving on to new challenges, I am really pleased we are managing to hold on to so many fantastic teachers and support staff. Please take some time over the next few weeks to introduce yourself to your child's teacher for next year if you haven't already met.

As you can see below, there is an event being held by the NUT at Talacre on Tuesday at 5pm. This is to discuss and highlight the cuts facing schools over the next few years. I hope lots of you will be able to go along and hear about this vitally important topic.

Have a great weekend and see you all on Monday.

Attendance Award

The award for this week goes to Year 3 with 98%. Well done to them—fabulous!

Two Weeks To SUMMER FAIR. Saturday 15th July 12-3pm

We hope you are all looking forward to the Summer Fair, the biggest and best fund raiser of the year. Let's make it a good one, raising much needed funds to support our children's trips and install the exciting music studio in the Qube.

Please support you Class Reps as they put up rotas to run the stalls, and fill your class donation boxes with goodies and gifts for the Tombola & Hampers.

Hopefully you will all manage to sell your 2 books of raffle tickets worth £5 – more will be available to buy w/c 10th July. If anyone has connections to businesses that would be willing to donate prizes to the raffle, we would be incredibly grateful.

Looking forward to a great Summer celebration, raising lots of cash and having lots of fun – fingers crossed for good weather.

Calling all parents, governors, school staff, students and councillors:

Come to:
THE CAMDEN BIG SCHOOL ASSEMBLY

Tuesday 4th July
at 5:00pm

Talacre Gardens
Prince of Wales Rd NW5 3PH

SPEAKERS INCLUDE:
Kevin Courtney - NUT General Secretary, Local Parents & Politicians.

Camden schools are facing huge cuts that will damage our schools and the education of our children.

Under the Conservative Election Manifesto, Camden Schools will still suffer an average cut of £877 per pupil.

That's equivalent to:

• 381 teachers or 700 support staff

Already we are seeing the following:

- Cuts to support staff
- Cuts to extra-curricular activities
- Schools fund-raising from parents
- Increases class sizes
- Narrowing of the Curriculum

Please go to www.schoolcuts.org.uk to find out how much money your child's school is losing, and visit www.fairfundingforallschools.org to join up with other parents campaigning to stop these cuts.

Community Cycle Sessions

- Tuesdays at 4pm - 5.45pm outside Edith Neville School, 174 Ossulston St Somers Town.
- Weds 4pm - 5.45pm on Clarence Way Estate, meeting between Clarence way and Farrier St NW1 8PJ
- Thursdays 4.30pm - 6.30pm Richard Cobden School, 29 Camden St, Camden Town, NW1 0LL
- Fridays 4pm - 5.45pm Cumberland Market NW1.

Bikes are provided for toddlers, children and adults - but please bring your own bike if you have one. Parents need to attend and sign a consent form for each child.

Summer Salad and Beetroot Hummus anyone?

The vegetable beds are continuing to do fantastically well. We have been reaping the rewards of the classes hard work again this week. Year 5 made some fantastic summer salads and beetroot hummus. Yum!

Nursery

This week our chicks have started to hatch. The children have been fascinated and have enjoyed showing them to visitors. Saheim (right) has been especially interested and is loving talking about them! Well done Saheim. Sufiyan (left) is also gently holding a chick. Thank you to Sophie for bringing us the incubator!

Nursery Sports Day

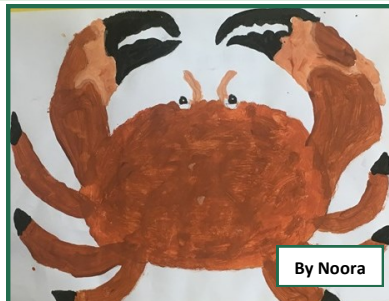

We had so much fun during our sports day. Thanks to the parents for helping us with all the different activities.

Amazing Art in Y6!

Following their trip to the Gower Peninsula before Half Term for the Year 6 journey, the children have been working on an art project inspired by the nature found in the area with Ms. Bonner. Here are some of the creations—we can't wait to see them all when they are finished and up on display. We have some very talented artists in this class!
