

Message from the head

A big thanks to those of you who came along to the summer fair last weekend—especially Alison Kenter and Jo Tang whose last fair with the PA this was. So much work goes into it by so many parents and families—it was a great day! Work started this week on the top pitch development. The children have been great managing with just the infant playground and grassed area and it's been lovely seeing some of the older children playing with the younger ones while they are in the same playground. Everything being well the work should be done by September. It's been a hot week—please remember sun cream, hats and water bottles. I hope you are able to come along and cheer on the children at next week's Sports Day (Wednesday 10th—am) on the Heath. It should be a great day. Have a lovely weekend and see you all next week.

Parents Evening & Y6 Gower Art Exhibition

Wednesday the 17th July is our end of year parents meetings. As well as the chance to meet with your child's teacher to discuss their report and ask any question you might have we are putting on a very special exhibition. In the hall we will be showing all the incredible Y6 Art and writing that has followed on from their recent residential trip to the Gower Peninsula in Wales. This trip is a fantastic opportunity for the year 6 children and something they all look forward to. It forms the basis of lots of art and writing once they are back in school. Please come along and take a moment to see the work the children have done in response to their trip. It will be in the hall after school. Just like a real gallery opening there will be drinks and nibbles! This is for all families to visit, not just year 6. It's an opportunity for younger children to see the sort of work they will be doing when they are in year 6. We hope you will make time either before or after your parent meeting to come along and see it.

Camden Free Try-a-Bike Loans

Do you want to stay fit and get about easily on a bicycle-but have no bike of your own? Parents in Camden can now borrow easy-to-ride pedal bikes or state-of-the-art electric bikes with Camden's free Try-A-Bike scheme. Try first, free, for four weeks, before deciding whether buying your own bike is right for you.

Cycle Training

Camden are providing free cycling lessons over the summer holidays for all ages and abilities (including adults so no excuses!). Go to <http://bit.ly/camdenholiday> for the children's course information and to <http://bit.ly/camdenadults> for the adults course information.

The next Try-A-Bike start date is **Sunday 4th August 2019**. Applicants must be over 18. Advance registration and deposit are required- visit www.camden.gov.uk/tryabike or call Andreas Goldner on 020 7974 1451. There are further sessions on **Sunday 8th September 2019, Sunday 6th October 2019, Sunday 2nd November 2019. Want some practice first? Never ridden a bicycle before?** Visit their open access Community Cycling sessions for families, Mondays 4.30pm at Cumberland Market or Thursdays 4.30pm at St Pancras Community Association / Richard Cobden School.

Punctuality Award

This week, our Punctuality award goes to Reception with Just 1 late! 39 lates for whole school—we need to improve!

Attendance Award

Our Attendance Award this week goes to Year 6 with 98.7%. Not bad! Just pipping Year 4 who had 98.4%. Some classes were low last week—we're sure we can do better next week!

Road safety scheme consultation

This week we received a copy of a consultation from the council. It concerned proposed changes to the roads and junctions around school—specifically the Cressy Road, Lawn Road and Parkhill Road junctions with Fleet Road as well as the Fleet Road/Southampton Road/Agincourt Road Junction. These changes are aimed at reducing congestion and improving streets for walking and cycling. One of the proposals in the consultation is to change the single yellow line outside of school to double yellow to stop people parking here and causing congestion to build up. We have submitted a response from school to the proposals. If you would like to respond or learn more about the proposals go to: <https://consultations.wearecamden.org/supporting-communities/gospel-oak-fleet-road-proposals>

Camden Summer Guide

Please see link to the Camden Summer guide 2019: <https://www.camden.gov.uk/camden-summer-guide-2019>.

In the helpful guide you'll find free and low costs activities for everyone over the summer from family fun and community festivals to ways to get moving more and arts and culture.

'Easy Fundraising' for Fleet Primary School

Do you often shop online? If you do, please have a look at the 'easyfundraising' website. Purchases you make could help to raise money for the school at no extra cost to you! It's simple, and doesn't cost you anything. All you do is:

1. Got to <http://www.easyfundraising.org.uk/causes/fleetps>
2. Sign up for free (or download the App if you shop on your mobile)
3. Shop online as normal!

22nd July	Year 6 Leavers' BBQ 6-8pm
23rd July	Last day of term—school closes at 2pm

Star of the Week Awards—this weeks winners...

Well done to our 'Stars of the Week' for their hard work and effort in class.

Summer Fair in the sweltering heat at the weekend was a huge success. Thank you so much to all of you who came along. We want to say a big thanks to our many valued supporters. Especially big thanks to Dali and James for playing all day in the sun and also to Gonzalo Gil who has done the graphic design for signage and posters for many years now. Special mention too for Shami who managed to keep going with the henna painting for the whole fair in the baking heat! Also thanks to the many local businesses listed above who supported us with donations. The PA are still waiting on some money coming in for some of the winning 'Golden Ticket' bids—Kim, Marcus, Darren, Abbie, Danielle Taylor and Nathalie have won! Contact the office to pay and collect your prize. On the day, the money taken was just over £5000—amazing! We have a lot to raise to get the junior playground we want but this, along with the matched funding we secured for the event, will help us get well on the way.

Summer Fair 2019

This week Nursery, Year 4 and Year 6 spent some time getting to know some very interesting creatures when ZooLab visited! It linked in with each classes topic and it was great for them to be able to see and touch in real life some of the creatures that they had only seen in pictures and books!

Zoo Lab

This week Nursery said goodbye to the butterflies. They have watched them go from tiny caterpillar to big caterpillar to chrysalis and then butterfly before flying off into the garden! At first it seemed the butterflies didn't want to leave but they eventually took flight!

Fly, fly away!
