

Message from the head

This week seems to have flown by with the bank holiday on Monday and an action packed week since. We've had trips to Camley Street, the Tate and to the Farm, as well as all of the fun learning happening in school. Thank you for your patience while works are taking place to the entrance area. They have almost finished the new fence, however we are awaiting the new front gate so that it can be fitted. It is going to be slightly wider than the existing one. Until it arrives, we can use the front entrance for now, but on the day they install it, we will need to use the back of the school for access. The individual photos have arrived and they look fabulous. We hope you like them. If you would like to order photos, please complete and return them, along with the correct payment in the envelope provided to the Office by Monday 15th May. Have a great weekend and we look forward to seeing you on Monday.

Class List

The PA have set up a communication system designed to allow them to let everyone know about events. For it to work they need a contact email address. Please can you give your email address to the class rep for your children's class so they can send you the email invite. Thank you.

Building Work at the Front Gate

Thank you for your patience this week while the works are being carried out on the entrance area. On Monday next week, you will be able to come and go in the morning and afternoon through the Fleet Road entrance. However, there will be a couple of days where you will need to access the school via the back entrance when the new gate is being installed. We will keep you posted on which entrance to use. Thanks again.

Key Stage 2 SATs tests

Next week our Year 6 children will be sitting the end of Key Stage 2 SATs tests. They have been working very hard and we are sure they will do their very best. If your child is in Year 6, please help them this weekend by making sure they get a good nights sleep and a healthy breakfast each morning—remember we have breakfast club if that would help! The timetable for each morning is as follows:

Monday	Tuesday	Wednesday	Thursday
English Reading Comprehension Paper	Grammar and Punctuation Paper & Spelling Test	Maths Arithmetic Paper & Reasoning Paper 1	Maths Reasoning Paper 2

Wanted—Chairperson for the PA

After 2 and a half years heading up the PA Miranda is moving away. The PA needs a keen parent to get involved and take on the responsibility of leading Class Reps and helping organise school fairs - all of which helps to raise around £10,000 to support the children in school. Ben Rudge, current Treasurer, will continue to look after finances, and Sarah O'Keefe, current Secretary, will continue until the end of this year to help with the Admin and meeting organisation. If there are any of you willing to take it on, please speak to Miranda (mirandarennie@gmail.com).

Free School Meal Checker

You may or may not know that many aspects of how schools are Funded is affected by the number of children who qualify for free school meals (FSM). Whether or not you intend to take a lunch, it is really important that we have your child listed correctly so as to ensure Fleet receives the funding it should be getting based on that measure. If you are unsure, or know you qualify but don't claim a lunch so haven't registered you child as FSM, we would urge you to check. You can come and speak to Lisa in the Office who can let you know what you need to do to check or you can use a free online tool that will help you check:

£1,000
raised
so far!

A huge thank you to everyone for helping make the Fun Run such a successful event. From the Parents' Association for organising and marshalling and to the families who supported the children through sponsorship and then coming along on the day to cheer them on. It was wonderful to see the children giving it their all—some of them may still be running if we hadn't stopped them! If you still have any sponsor money at home, please bring it in and we can total up how much we have raised. We're hoping to be one step closer to being able to build and kit out our music technology studio! Special thanks to Kate Cohen for these great pics!
