

Message from the head

Welcome back to the final half term of the 2017-18 academic year—where has the time gone! This year is flying by. We have lots of things planned for this term and I'm sure your children will keep you updated, however we will do our best to share all the great things going on here in the newsletter.

I'd like to say a big thank you to the Year 6 parents who have done such a good job getting ready for tonight's school disco. If you haven't already got your ticket, they can be purchased on the door for £3 (or £10 for a family ticket).

I'd like to also say a big thank you to Jo Tang, another of our parents, for all her hard work as a Parent Governor for the last few years. Her term of office has now come to an end and so we will be recruiting for new Parent Governors. We are looking to recruit two parents to join the schools Governing Body. Nomination letters will go out on Monday next week. Please consider giving some time to the school to take on this role if you can. The role of Governor is crucial to us. I feel very privileged to have a Governing Body made up of individuals who value so strongly the creative and inclusive ethos we have at Fleet and want to ensure that we do all we can to give our children the best possible start in life.

I am really looking forward to seeing all the fabulous home learning projects the children have been working on next week—please come along to see them either on Monday after school or Tuesday before school. Have a great weekend and see you next week.

Home Learning Projects

Year 2 to Year 6 teachers spoke to the children about their home learning projects before Half Term. We are really looking forward to seeing them. They are due in on Monday.

As with previous projects, we would like to put them on display after school on that day and in the morning the following day, Tuesday 12th for you all to be able to come, see and celebrate. These projects are a great way for you and your child to do some fun learning together and learn more about what they have studied this term. We love seeing how excited they are about what they have created. Thank you, in advance, for your support.

Lost Property

If you haven't already done so, please put your child's name and class on the label on any clothes they take to school so that if it gets lost we can return it to them. Thanks to all of you who helped to claim lost clothes before the holidays. We really need to keep the lost property to a manageable level as we do not have room to store it. Thank you.

Punctuality Award

This week, our Punctuality award goes to Year 4 with 3 lates! Well done to them. Don't forget to check our Fleet Heros notice board

Attendance Award

Our Attendance Award this week goes to Reception & Year 6 both with 98%. Well done to them! Remember, if your child is unwell or has an appointment, please call the Office in the morning.

Photographs

You should have received your child's individual and class photos this week. If you would like to purchase one, please ensure you complete the form, add the correct amount due inside the envelope provided and return it to the Office by Mon 18th June (AM).

Thank you

We'd like to say a big thank you to 'Big Green Books' in Wood Green and their customers who, through their initiative #buyschoolabook, provided us with some great new books this week. Here are Year 3 enjoying their first look at some of the titles.

EYFS Winner—Arin

KS1 Winner—Ifeoma

Harvest Time...

Reception used strawberries from the garden to make smoothies. They have been talking about foods that are healthy for us and all agreed that smoothies are delicious and healthy! In fact they loved them so much, they decided to set up a smoothie shop too.

Fleet's Favourite Gallery!

Nursery had a fabulous time at our favourite gallery, The October Gallery! They loved exploring the artwork, travelling to the rainforest and making magical stones that give them superpowers!

Just before half term Year 3 were creating some fantastic writing. They were looking at fantasy settings. Charlotte and Lucia produced especially good pieces. We don't have room for all of them here, Lucia's ran to more than 5 pages, but here are their brilliant openings.

Billy was awake, listening for a light tapping noise. The it came, he tiptoed to his half open window and slid it open. There was a magnificent, white swan waiting right outside his bedroom window! They were going on another glorious adventure in another world far beyond ours. Billy jumped onto the back of Swan and they were off zooming amongst the clouds, wind rushing past their faces. They could hear tremendous roads of the traffic below. Billy was thinking "how long would they be flying and where? They could also see tiny houses below them. You would have thought they looked like tiny Lego houses and so did Billy. Suddenly all the houses and cars disappeared in a cloud of smoke. They had flown into the cloud of mysteries...

By Lucia

Suddenly Billy saw a dark shadow at his bedroom window. He opened it carefully and quietly. It was swan ready to take little Billy on a terrific adventure as he tiptoed to his bedroom window he gently climbed on to swans back as they took off into the peaceful night. Bill heard nothing but swan's wing flapping gentry as they crossed the big, blue sea....
