

Once upon a time

Reception Topic Snapshot

Each week, our learning will be based on a different traditional story.

The children will learn to retell these.

We will talk about the 5 Ws - **who**, **what**, **when**, **where** and **why**. These are key words to learn.

Knowing the words; **beginning**, **middle** and **end** is important too.

Key vocabulary for each story will be on our Literacy working wall. These will be our 'Words of the Week'.

These are some of our key stories we will focus on.

You can also help by...

- Encouraging your child to be independent with getting dressed - putting own shoes, gloves and coats on.
- Learning to do up their zip.
- Reading everyday.
- Using number in everyday situations such as; counting items, looking for numbers in the environment, counting actions, such as steps to the door, jumps to the bus stop etc.
