

Wild Things

Year 1 Topic Snapshot Spring Term

The aim of this topic is for the children to be able to tell and write their own narratives. We will look at a number of high quality texts to achieve this. As well as helping your child with the following vocabulary, reading lots of fairy tales and traditional tales with them at home will really help too.

Key Vocabulary

Wild	A plant or animal growing and living in a natural environment.
Fiction	Something that has been made up, like a story or fairy tale. It is not true.
Non-fiction	Facts. Information that is true.
Setting	Where a story takes place.
Characters	Who is in the story.
Story Structure	Most stories have a beginning, middle and end.
Problem	Something wrong or challenging that happens.
Solution	Working out a way to solve the problem.
Moral	What you can learn from a story.
Mythological Creatures	Animals/beings/hybrids that don't exist in real life like dragons, unicorns and werewolves.
