Learning from home - Nursery

Topic - Things we Love! ❤️

Please note that some of the learning links and activities can be repeated as they are regular activities we do in nursery. Any new activities and links will be added in **green** so you can locate these easily.

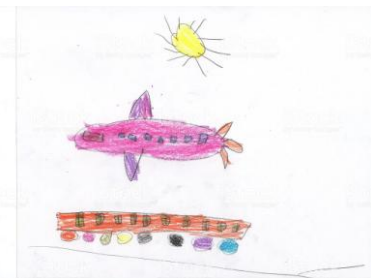

Please remember these are suggested activities - more than anything we want you all to stay safe and enjoy playing together. Thank you for the photos you have sent so far. It has been lovely seeing what you are up to. Best wishes, Nic and Rebecca

This week is Transport week!

This week's activity ideas...

Personal, Social and Emotional Development

Think about a journey you have been on. Was it with your family? Where were you going? How did you get there? How long did it take? Were you nervous, excited? Maybe you could draw a picture of this journey?

It can be very useful to travel by car, aeroplane, buses and trains but it isn't so good for the world. Travelling by walking, scooting and bike is far better if you aren't going too far. Can you plan a short journey where you would normally go by car or bus and instead travel in an environmentally friendly way?

If your child has questions about the Coronavirus pandemic, CBeebies have made a special Get Well Soon on the subject, where Dr Ranj explains about the virus <https://www.bbc.co.uk/iplayer/episode/p08bmd70/get-well-soon-coronavirus>

Physical Development

Different types of transport move in different ways - aeroplanes fly, boats sail and cars travel on wheels that go around and around. Can you try and travel around your home in different ways - hopping, jumping, skipping, sliding, running, walking, side stepping...

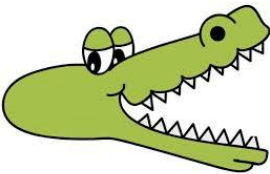

Have a go at folding paper carefully to make a paper aeroplane. Can you decorate it and then have a go at flying it? If you aren't sure how to make one, there is a video link below that will teach you how. There are many other designs if you look up ideas on YouTube.

<https://www.youtube.com/watch?v=r9ReNKZiZNc>

Can you do a family workout with Joe Wicks -

<https://www.youtube.com/watch?v=TLyzaYctPgU>

Carry on practising your cutting skills at home - remember the rhyme to help you hold the scissors correctly - 'Fingers on the bottom and the thumb on top, open the mouth and go chop, chop, chop!'

A fun thing to do is pretend to be a hairdresser. They are all closed at the moment but you could practice your cutting skills by drawing a face on a cardboard tube and cutting along to create some hair. Are you going to give it long or short hair?

Parents, this could be the right time to encourage your child to hold their pencil correctly if they need a reminder. If your child is doing lots of mark making but struggling to hold their pencil correctly, there are some tips here to help

<https://www.youtube.com/watch?v=skH32KwdirU>

Dough Disco

Have a dough disco at home! Pop on some music and squish any dough you have! You can easily make dough at home too - <https://theimaginationtree.com/best-ever-no-cook-play-dough-recipe/>

Some of our favourite dough disco songs:

<https://www.youtube.com/watch?v=zJQ2CaA7E50>

<https://www.youtube.com/watch?v=i-IfzeG1aC4>

<https://www.youtube.com/watch?v=DrBsNhwzgc>

<https://www.youtube.com/watch?v=KSB08N4ctJg>

Here is a playlist of familiar pop songs you might like to use for a dough disco at home

https://www.youtube.com/playlist?list=PL16OPbE3RaSgoxvrpFBj4gkyt26_aMf0V

Health and Self Care

It is important for everyone to find time to relax and calm down each day. Listen to some relaxing music and have some quiet time. Take some deep breaths and think about what you have enjoyed today. <https://www.bbc.co.uk/iplayer/episode/p062glb7/daydreams-cbeebies-wind-down>

Can you practise getting dressed in the morning? Try to put on your own clothes. Here is a great hand washing song as we all need to make sure we are washing our hands to stay healthy <https://www.youtube.com/watch?v=dDHJW4r3eIE>

We should all brush our teeth in the morning and at night time for two minutes. This song is all about brushing our teeth and lasts two minutes - try brushing your teeth while you watch!

https://www.youtube.com/watch?v=wCio_xVlgQ0

Remember to use pea sized amount of toothpaste.

Reading

Watch our story videos this week. Did you like them? What was your favourite part?

Can you look at some picture books you have at home and tell someone the story? Don't worry about the words - use the pictures to make up the story.

Watch Justin Fletcher tell a story about a bus. It is called This Bus is for Us.

<https://www.bbc.co.uk/iplayer/episode/m0007lzz/cbeebies-bedtime-stories-718-justin-fletcher-this-bus-is-for-us>

If you want to listen to other stories, watch our other story videos on our Nursery page and there are lots more to watch on the CBeebies bedtime stories page

<https://www.bbc.co.uk/iplayer/episodes/b00jdlm2/cbeebies-bedtime-stories>

If you would like further reading books and books for other members of the family, please look here <https://www.camden.gov.uk/digital-library> to sign up for the Camden library service.

Phonics

This week we are going to learn another new sound. It is the 'g' sound as in green, goat and grass. You can watch a video about our new sound and how to write it on the nursery page of the website.

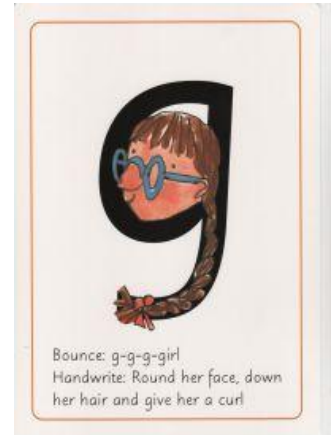

The song for g is here

<https://www.youtube.com/watch?v=EJlqibssexg>

Can you watch the water gurgle down a drain in your home and sing the song?

Make a g picture and draw things that start with g all around it.

Visit Espresso and watch the videos of all our sounds - click on the g to learn about our new sound.

https://central.espresso.co.uk/espresso/primary_uk/subject/module/frontscreen/item61932/grade/index.html (login student21013 password fleetp)

This website is great for showing you the actions, songs and rhymes for each sound.

<https://www.thebabybearclub.co.uk/copy-of-t-spring-phonics>

Parents, if your child is confident with the sounds we have learned so far (s,a,t,p,i,n,m,d) you could show them how there are words they can build with these sounds eg s-a-t, t-a-p, m-a-n, d-i-p, p-i-n, etc Make a set of sound cards and see if you can move them around to make some words.

There are some good resources and ways to support your child with phonics here and it is free for parents at the moment <https://new.phonicsplay.co.uk/>

Sing along to the all the Jolly Phonics songs for all the sounds here

<https://www.youtube.com/watch?v=jvAYUvQUrGo>

Writing

Have a go at some transport mark making by attaching pens or pencils to any toy vehicles you have at home.

Practice your new sound - watch the video on the nursery page to help you. Say the rhyme while you have a go.

'Round her face, down her hair and give her a curl.'

Don't forget to look at the nursery sounds and letter formation document that has all the sounds we have learnt so far.

There are lots of ideas for mark making activities on the nursery page here [http://fluencycontent2-schoolwebsite.netdna-](http://fluencycontent2-schoolwebsite.netdna-ssl.com/FileCluster/FleetPrimaryRedesign/MainFolder/3-Parents/Home-Learning/Work-for-)

[ssl.com/FileCluster/FleetPrimaryRedesign/MainFolder/3-Parents/Home-Learning/Work-for-](http://fluencycontent2-schoolwebsite.netdna-ssl.com/FileCluster/FleetPrimaryRedesign/MainFolder/3-Parents/Home-Learning/Work-for-)

Maths

Numbers

When you have made your paper aeroplane, make a few more and have a flying competition. See which plane can fly the furthest. Measure how far each plane flew in footsteps. Which one went the longest distance?

Learn some more about longer with the Twirliwoos

<https://www.bbc.co.uk/iplayer/episode/b0663dgb/twirlywoos-series-2-12-longer?page=1>

<https://www.bbc.co.uk/iplayer/episode/b08584j8/twirlywoos-series-3-11-more-about-longer>

If you have toy cars at home, you could make a car park for them and park them in the right numbered space.

Sing along to the 10 Little Buses song

<https://www.youtube.com/watch?v=u0umMnrsq7Y>

Can you find things in your home that you can count? How many car, pens, socks or dolls do you have? You could also do this when you're eating – how many pieces of pasta do you have on your plate? What is happening to the number each time you eat a piece?

Do you remember this number song we used to watch in nursery?

<https://www.youtube.com/watch?v=0b-v-wMR69k>

Sing the days of the week song from our Nursery website.

<https://vimeo.com/400924659>

Practise counting forwards and backwards and writing numbers up to 10

<https://www.youtube.com/watch?v=7D4K9oi7oBM>

Look for opportunities to count around the house – how many steps to the kitchen? Go on a number hunt – what numbers can you see around you?

Count with the Numberblocks

<https://www.bbc.co.uk/iplayer/episode/b08cr24d/number-blocks-series-1-how-to-count>

Watch the counting practise video on the Nursery page – can you order numbers 1-10? Make some quick number cards by writing numbers 1-10 on pieces of paper and try to order them

<https://vimeo.com/411401618>

Shapes

We have learned lots of shapes in the past few weeks - triangle, square, circle and rectangle. Can you cut out some of these shapes and use them to make a shape picture of a car, a bus, an aeroplane, a boat or a train?

Listen to some great rectangle songs, the first one is very fast!

<https://www.youtube.com/watch?v=2WHJio4TRNY>

<https://www.youtube.com/watch?v=9JP-ZhwrzI>

The singer James Blunt has lost a shape, see if you can help him find it.

<https://www.youtube.com/watch?v=Z4cUQ1ItK-w&t=178s>

Understanding the World

Could you go on a journey walk - what do you notice as you walk? Can you spot different types of transport as you walk? Count how many buses, bikes, scooters you see.

Learn about some different types of transport with Maddie from Do You Know?

<https://www.bbc.co.uk/iplayer/episode/m000jl1r/maddies-do-you-know-series-4-11-snail-and-tractor>

<https://www.bbc.co.uk/iplayer/episode/m0004xt0/sign/maddies-do-you-know-series-3-8-digger-and-wellies>

<https://www.bbc.co.uk/iplayer/episode/b07vj5cq/maddies-do-you-know-series-1-7-boat-propeller-and-hot-air-balloon>

<https://www.bbc.co.uk/iplayer/episode/b07x1704/maddies-do-you-know-series-1-12-helicopter-rotor-and-tricycle>

<https://www.bbc.co.uk/iplayer/episode/b07x1704/maddies-do-you-know-series-1-12-helicopter-rotor-and-tricycle>

<https://www.bbc.co.uk/iplayer/episode/b081m9nf/maddies-do-you-know-series-1-23-car-brakes-and-car>

Find out about some amazing machines by watching Grace. There are lots of different vehicles to find out about. Which are your favourites?

<https://www.bbc.co.uk/iplayer/episode/m000bsdg/graces-amazing-machines-series-1-20-graces-favourite-machines>

Visit London Transport Museum's website and find out more about the transport used in London now and in the past. Can you see the differences between the older types of transport and the newer ones? How are they different?

Draw a picture of your favourite bus you can find on the website.

https://www.ltmuseum.co.uk/?gclid=Cj0KCQjwn7j2BRDrARIsAHJkxmx-m9RsPEmLYPXddx0pWwGMZdUOwAmYzLWMnSnrpz7VwFNJ6z2zGHEaAkBXEALw_wcB

Expressive Arts and Design

Look for different colour cars from your window or when you go for a walk. How many different colours can you see?
In my family we play a game called 'Yellow Car' - when you see a yellow car, you have to

say 'yellow car' quickly. The first person to say it, wins a point! How many points can you get?

Use potatoes to make a potato print boat picture. Ask an adult to cut the potatoes into shapes for printing.

Use junk materials to make boats to sail in the sink, bath tub or in a pond.

Does your boat float? Can you find other things that float? Maybe try and give your boat some passengers?

Make some traffic light biscuits to share with your family. They are easy to make. Find the recipe here.

<https://groceries.morrisons.com/webshop/recipe/traffic-light-biscuits/38347>

Dance and Music

We love to dance and sing in nursery - watch the videos below and remember to join in.

Wheels on the bus https://www.youtube.com/watch?v=e_04ZrNroTo

Row, row your boat <https://www.youtube.com/watch?v=7otAJa3jui8>

Driving in my car <https://www.youtube.com/watch?v=BdrZWu2dZ4c>

The Transportation Song https://www.youtube.com/watch?v=yLQxp_v59kw

Can you dance with Abby, Elmo and Jason Derulo from Sesame Street
<https://www.youtube.com/watch?v=K8UGx6HD23o>

Get moving with the animals from Madagascar with I like to move it!
<https://www.youtube.com/watch?v=hdCTmpvD00Id>

Sing and dance with the trolls to Can't Stop The Feeling
<https://www.youtube.com/watch?v=KhfkYzUwYFk>

Get moving with the 'Move and Freeze' song we do in Nursery
<https://www.youtube.com/watch?v=388Q44ReOWE>

Learn and practise nursery rhymes, for example Five Little Ducks, Mary had a Little Lamb.
<https://www.bbc.co.uk/cbeebies/curations/nursery-rhymes>

You can find some more physical activity ideas on the nursery website page
<http://fluencycontent2-schoolwebsite.netdna-ssl.com/FileCluster/FleetPrimaryRedesign/MainFolder/3-Parents/Home-Learning/Work-for-home---Nursery/Physical-Activity-Ideas.pdf>

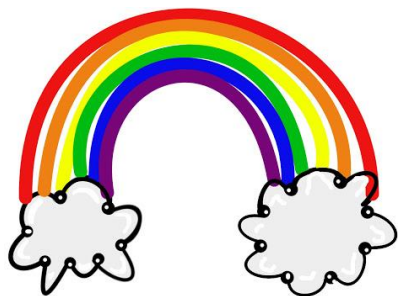

Race to Health

Lisa has emailed everyone details of this year's Race to Health at Home:
Where the Wild Things Are.

Remember to log all your family's physical activity to earn points and medals to help Max on his magical journey.

Most of all...

We hope you are enjoying time as a family.
The weather has been lovely - it makes such a difference
when the sun shines! Take time to be together and have
fun...and remember, CBeebies is always there when you need
a break! ;-)
