Learning from home - Nursery

Topic - Things we Love!

Please note that some of the learning links and activities can be repeated as they are regular activities we do in nursery. Any new activities and links will be added in green so you can locate these easily.

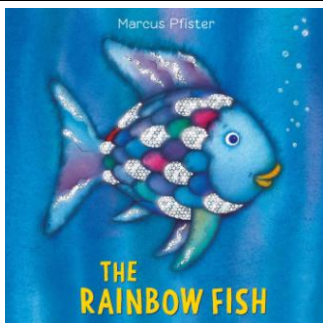

Please remember these are suggested activities - more than anything we want you all to stay safe and enjoy playing together. Thank you for the photos you have sent so far. It has been lovely seeing what you are up to. Best wishes, Nic and Rebecca

This week is all about Sea Creatures!

This week's activity ideas...

Personal, Social and Emotional Development

Listen to the story of The Rainbow Fish on the nursery page. In the story, Rainbow Fish doesn't want to share his beautiful scales. What happens then? Do the other fish want to play with him? At the end of the story, Rainbow Fish has lots of friends. Why do you think that is?

What is your favourite sea creature? Why is it your favourite? Can you ask your family about their favourite sea creature and why it is their favourite?

If your child has questions about the Coronavirus pandemic, CBeebies have made a special Get Well Soon on the subject, where Dr Ranj explains about the virus <https://www.bbc.co.uk/iplayer/episode/p08bmd70/get-well-soon-coronavirus>

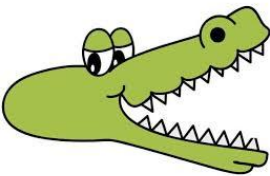

Physical Development

Sing along to Baby Shark but also do the arm movements. These big arm movements are great for building muscular strength needed for a good pencil grip

<https://www.youtube.com/watch?v=XqZsoesa55w&vl=en>

Water play is fun but also good for physical development. Fill a bucket or sink with water and practise pouring water into different containers. Don't spill any!

Carry on practising your cutting skills at home - remember the rhyme to help you hold the scissors correctly - 'Fingers on the bottom and the thumb on top, open the mouth and go chop, chop, chop!'

Practise your ball skills if you can. Can you throw and catch a ball? Can you roll the ball to someone in your family? Can you kick it to them? If you want some tips, watch Footy Pups here...

<https://www.bbc.co.uk/iplayer/episode/b072vz79/footy-pups-series-1-21-throwing>

Parents, this could be the right time to encourage your child to hold their pencil correctly if they need a reminder. If your child is doing lots of mark making but struggling to hold their pencil correctly, there are some tips here to help

<https://www.youtube.com/watch?v=skH32KwdirU>

Dough Disco

Have a dough disco at home! Pop on some music and squish any dough you have! You can easily make dough at home too - <https://theimaginationtree.com/best-ever-no-cook-play-dough-recipe/>

Some of our favourite dough disco songs:

<https://www.youtube.com/watch?v=zJQ2CaA7E50>

<https://www.youtube.com/watch?v=i-IfzeG1aC4>

<https://www.youtube.com/watch?v=DrBsNhwxyzgc>

<https://www.youtube.com/watch?v=KSBO8N4ctJg>

Here is a playlist of familiar pop songs you might like to use for a dough disco at home

https://www.youtube.com/playlist?list=PL16OPbE3RaSgoxvrpFBj4gkyt26_aMf0V

Health and Self Care

Do some sea themed Cosmic Yoga

- Squish the fish

<https://www.youtube.com/watch?v=LhYtcaDR9nw>

- Norris the baby seahorse

<https://www.youtube.com/watch?v=iFuobePKER8>

Popcorn the dolphin

<https://www.youtube.com/watch?v=YR10xBk8BF4>

Try some Wild Workouts with Andy from CBeebies

<https://www.bbc.co.uk/iplayer/episodes/p06tmmvz/andys-wild-workouts>

It is so important for everyone to eat healthily. If your little one needs encouragement to eat some fruit, let Peppa Pig help <https://www.youtube.com/watch?v=qjEkKYlkJcg>

It is important for everyone to find time to relax and calm down each day. Listen to some relaxing music and have some quiet time. Take some deep breaths and think about what you have enjoyed today. <https://www.bbc.co.uk/iplayer/episode/p062glb7/daydreams-cbeebies-wind-down>

Can you practise getting dressed in the morning? Try to put on your own clothes.

Here is a great hand washing song as we all need to make sure we are washing our hands to stay healthy <https://www.youtube.com/watch?v=dDHJW4r3eIE>

We should all brush our teeth in the morning and at night time for two minutes. This song is all about brushing our teeth and lasts two minutes - try brushing your teeth while you watch!

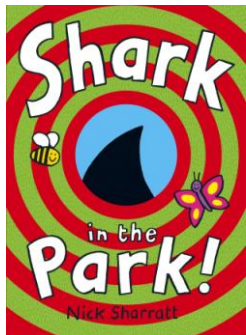

https://www.youtube.com/watch?v=wCio_xVlgQ0

Remember to use pea sized amount of toothpaste.

Reading

Listen to and watch some sea creature stories...

The Storm Whale <https://www.bbc.co.uk/iplayer/episode/m000jbhy/cbeebies-bedtime-stories-756-bjorn-ulvaeus-the-storm-whale>

Listen to the stories of Shark in the Park, Shark in the Dark and Shark in the Park on a Windy Day on the nursery page. This is a rhyming story - can you think of words that rhyme e.g. shark - park - dark, cat - hat - mat.

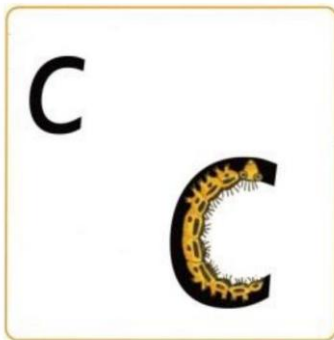

Can you look at some picture books you have at home and tell someone the story? Don't worry about the words - use the pictures to make up the story.

If you want to listen to other stories, watch our other story videos on our Nursery page and there are lots more to watch on the CBeebies bedtime stories page

<https://www.bbc.co.uk/iplayer/episodes/b00jdlm2/cbeebies-bedtime-stories>

If you would like further reading books and books for other members of the family, please go here <https://www.camden.gov.uk/digital-library> to sign up for the Camden library service.

Phonics

Curl around the caterpillar.

This week we are going to learn another new sound. It is the 'c' sound as in crab, clock and caterpillar. You can watch a video about our new sound and how to write it on the nursery page of the website.

The song for c is here

<https://www.youtube.com/watch?v=bZNxhoxSAFA>

Visit Espresso and watch the videos of all our sounds - click on the c to learn about our new sound.

https://central.espresso.co.uk/espresso/primary_uk/subject/module/frontscreen/item61932/grade6/index.html (login student21013 password fleetp)

This website is great for showing you the actions, songs and rhymes for each sound.

<https://www.thebabybearclub.co.uk/copy-of-t-spring-phonics>

Parents, if your child is confident with the sounds we have learned so far (s, a, t, p, i, n, m, d, g, o, c) you could show them how there are words they can build with these sounds eg s-a-t, t-a-p, m-a-n, d-i-p, p-i-n, etc Make a set of sound cards and see if you can move them around to make some words.

There are some good resources and ways to support your child with phonics here and it is free for parents at the moment <https://new.phonicsplay.co.uk/>

Sing along to the all the Jolly Phonics songs for all the sounds here

<https://www.youtube.com/watch?v=jvAYUvQUrGo>

Writing

Mark making with water can be great fun. All you need is a pot of water and a brush. It can be done outside and will dry in the sun. If you have chalks at home, draw shapes and letters on the ground for your child to paint over with the water, following the lines. Great for practising letter formation!

You can also do this on a smaller scale with cotton buds and dark paper or a small chalkboard if you have one.

Remember to be mark making lots at home - help with shopping lists, making cards, writing your name on any pictures you do. Writing your own name is such a fantastic thing to be

able to do so keep practising!

Practice your new sound - watch the video on the nursery page to help you. Say the rhyme while you have a go.

'Curl around the caterpillar.'

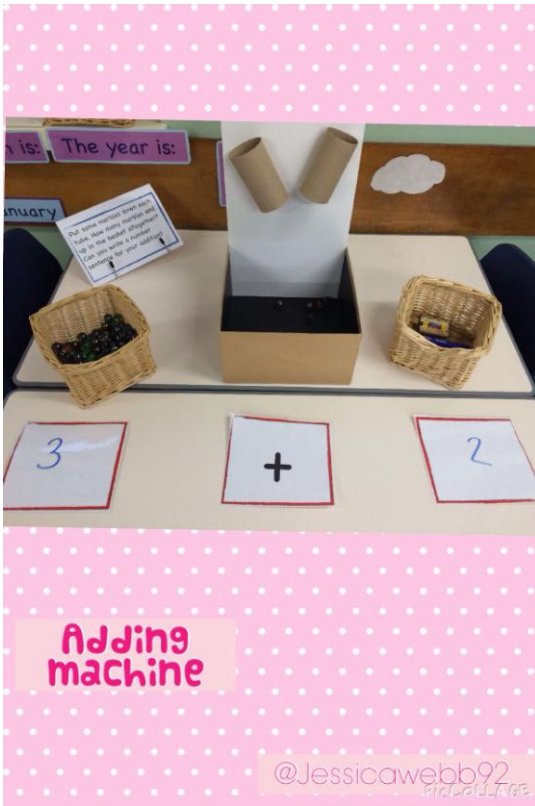

Don't forget to look at the nursery sounds and letter formation document that has all the sounds we have learnt so far.

There are lots of ideas for mark making activities on the nursery page here

<http://fluencycontent2-schoolwebsite.netdna-ssl.com/FileCluster/FleetPrimaryRedesign/MainFolder/3-Parents/Home-Learning/Work-for-home---Nursery/Mark-Making.pdf>

Maths

Numbers

Do some sea creature adding. Watch the video on the nursery page and join in with the counting and adding. You could make an adding machine to do some adding at home. Put 2 different amounts down the two tubes - how many do you have together?

Sing along to 10 Little Fishes

<https://www.youtube.com/watch?v=dg0cQtVisLw>

Keep practising writing numbers. Watch the video on the nursery page to help you remember the rhymes for each of the numbers. Can you have a go and try to write the numbers along with the video?

Counting can be tricky. Remember to use your careful counting finger when you count objects. Find something in your house to count. Can you count out 5 things from a bigger group? Can you count out 7 things now? How about 10 things? Watch the counting video on the Nursery page to help you.

Some counting songs to join in with <https://www.youtube.com/watch?v=7D4K9oi7oBM>

Shapes and Measure

We know the names of some 2D shapes. Now we are going to learn some 3D shape names. First is a cylinder. A cylinder has a circle at either end and a curved middle. Here are some examples of cylinders.

Can you find anything that is a cylinder in your house?

Listen to this song about 3D shapes <https://www.youtube.com/watch?v=2cg-Uc556-Q>

We have learned lots of shapes in the past few weeks - triangle, square, circle and rectangle. Are you ready to learn some names of tricky shapes? Watch this song and see if you can remember the name for a five sided shape?

<https://www.youtube.com/watch?v=WTeqUejf3D0>

We have been doing lots of measuring recently. The biggest animal in the world is the Blue Whale. Can you find things in your house that are big? Sort some objects into 'big' and 'small' - what is the biggest thing in your home? What is the smallest?

The Twirliwoos are back to tell us about 'bigger'

<https://www.bbc.co.uk/iplayer/episode/b0663ksh/twirlywoos-series-2-13-bigger-and-bigger?page=1>

Here is a song about two monkeys who are having fun measuring different objects to see which is longer or shorter https://www.youtube.com/watch?v=X_97A02skGU

Understanding the World

Watch Go Live with Maddie and Greg to find out all about our oceans and the creatures that live in them

<https://www.youtube.com/watch?v=X64hNw0ZAFc>

<https://www.youtube.com/watch?v=Www-gjVliik>

<https://www.youtube.com/watch?v=NuCNVjPP8zE>

<https://www.youtube.com/watch?v=gRfScwDk7ko>

<https://www.youtube.com/watch?v=OXfEYj411bE>

Andy from CBeebies knows lots about sea creatures. Watch some of his programmes to find out more.

<https://www.bbc.co.uk/iplayer/episodes/m000fbs2/andys-aquatic-adventures>

Find out some facts about your favourite sea creatures on the Internet.

Expressive Arts and Design

After listening to The Shark in the Park stories, make your own telescope from a cardboard tube. Can you spot any sharks?

If you have paper plates at home, why not make a paper plate goldfish bowl. You can add whatever sea creatures you like.

Bubble painting is so much fun. Mix washing up liquid, water and paint or food colouring.

Blow bubbles and then put your paper on the bubbles. Beautiful!

Full instructions here <https://tinkerlab.com/b>

[ubble-paint-recipe/](#)

Use a toilet roll to make an octopus or a fish

Dance and Music

We love to dance and sing in nursery – watch the videos below and remember to join in.

Andy's Aquatic raps are great fun. Watch them here...

<https://www.bbc.co.uk/iplayer/episodes/p085lgvm/andy-aquatic-raps>

Tiny Turtle song <https://www.youtube.com/watch?v=rmZySo00HIQ>

Under the Sea dance <https://www.youtube.com/watch?v=SH-7A3NVQbY>

Get moving with the 'Move and Freeze' song we do in Nursery

<https://www.youtube.com/watch?v=388Q44ReOWE>

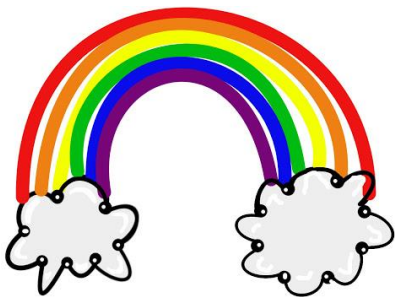

Learn and practise nursery rhymes, for example Five Little Ducks, Mary had a Little Lamb.

<https://www.bbc.co.uk/cbeebies/curations/nursery-rhymes>

You can find some more physical activity ideas on the nursery website page

<http://fluencycontent2-schoolwebsite.netdna-ssl.com/FileCluster/FleetPrimaryRedesign/MainFolder/3-Parents/Home-Learning/Work-for-home---Nursery/Physical-Activity-Ideas.pdf>

Most of all...

We hope you are enjoying time as a family. The weather has been lovely - it makes such a difference when the sun shines! Take time to be together and have fun...and remember, CBeebies is always there when you need a break! ;-)
