Learning from home - Nursery

Topic - Things we Love!

Please note that some of the learning links and activities can be repeated as they are regular activities we do in nursery. Any new activities and links will be added in green so you can locate these easily.

Please remember these are suggested activities - more than anything we want you all to stay safe and enjoy playing together. Thank you for the photos you have sent so far. It has been lovely seeing what you are up to. Best wishes, Nic and Rebecca

This week
is
Dinosaur
week!

Go to:

This week's activity ideas...

Personal, Social and Emotional Development

Can you help with jobs around your home? Help make lunch, tidy up your toys, make your bed. It will make your grown ups so happy!

Can you do something to make someone smile today? You could give them an extra big cuddle, share nicely, play a game together...

As a family make a list of all the positive things about being in together to look back on after this is all over. Make a lockdown handprint memento to keep. You could draw around your hands and cut them out - use paper, old magazines, paint to print hands - whatever you have at home

Physical Development

Can you move around your home like a dinosaur - walk on all fours like a Stegosaurus, stomp on two feet like a Tyrannosaurus Rex, take tiny steps like a Compsagnathus (it's a tiny dinosaur) Listen to this music as you move like a dinosaur <https://www.youtube.com/watch?v=cSqdu7Qlz7k>

If you have any beads at home, practice threading them on to string. Another fun activity to do is to thread Cheerios onto a length of spaghetti

Carry on practising your cutting skills at home - remember the rhyme to help you hold the scissors correctly - 'Fingers on the bottom and the thumb on top, open the mouth and go chop, chop, chop!'

Dough Disco

Have a dough disco at home! Pop on some music and squish any dough you have! You can easily make dough at home too - <https://theimaginationtree.com/best-ever-no-cook-play-dough-recipe/>

Some of our favourite dough disco songs:

Health and Self Care

Can you practise getting dressed in the morning? Try to put on your own clothes. Here is a great hand washing song as we all need to make sure we are washing our hands to stay healthy <https://www.youtube.com/watch?v=dDHJW4r3eIE>

We should all brush our teeth in the morning and at night time for two minutes. This song is all about brushing our teeth and lasts two minutes - try brushing your teeth while you watch! https://www.youtube.com/watch?v=wCio_xVlgQ0

Try making a fun snack or meal that looks like a dinosaur. What can you use for the legs, body, head? Remember to wash your hands before you start touching the food.

In Nursery we have toast every Friday and the children were all great at making their own toast. Why not try this at home? Can you think of something healthy you could have on toast? How about something unhealthy?

Reading

Listen to the story Tyrannosaurus Drip on the Nursery page. What do you think Tyrannosaurus Drip thought when he ran away and saw the Duckbill Dinosaurs on the other side of the river? Did you like the story?

Can you find any other dinosaur stories you might have at home to read? You could make up your own dinosaur story - what type of dinosaur would be in your story? What would happen to it? Can you draw a picture of your story to share with your family?

If you want to listen to other stories, watch our other story videos on our Nursery page and there are lots more to watch on the [Cbeebies bedtime stories page](https://www.bbc.co.uk/iplayer/episodes/b00jdlm2/cbeebies-bedtime-stories) <https://www.bbc.co.uk/iplayer/episodes/b00jdlm2/cbeebies-bedtime-stories> If you would like further reading books and books for other members of the family, please look here <https://www.camden.gov.uk/digital-library> to sign up for the Camden library service

Phonics

This week we are going to learn a new sound. It is the sound 'i' as in igloo, insect, infant. Please watch the phonics video on the Nursery page of the website to revise the sounds we know so far and learn this sound. Can you think of words together that you can hear the 'i' sound eg p-i-g, s-i-t, b-i-n?

Find objects that start with s, a, t, p and i around your house and sort them according to each sound.

Visit Espresso and watch the video about the i sound here

Allosaurus

Draw your favourite dinosaur and find some facts about it to add to your picture. Ask someone in your family to help you write these facts down. You could make a dinosaur fact book and share your facts with your family.

Visit Espresso (details at the top of the page) to label a dinosaur.

https://central.espresso.co.uk/espresso/primary_uk/subject/module/activity/item849644/grade6/module845514/index.html

Maybe have a go at labelling other things in your house too! Can you label your toys?
