Headteacher: Don McGibbon

## Learning from home - Nursery - w.b. 20th April 2020

Please note that some of the learning links and activities can be repeated as they are regular activities we do in nursery. Any new activities and links will be added in **green** so you can locate these easily.

Please remember these are suggested activities - more than anything we want you all to stay safe and enjoy playing together. Thank you for the photos you have sent so far. It has been lovely seeing what you are up to. Best wishes, Nic and Rebecca

### Personal, Social and Emotional Development

This week we're going to be focussing on **The Enormous Turnip**. You can watch the story using this links -

<https://www.youtube.com/watch?v=mGw5yTOPTSQ>

**Barney and his friends retelling the story too -**

<https://www.youtube.com/watch?v=NdcevyCipkQ>

Did you notice how important the mouse was in the story even though he was very small. When everybody worked together they managed to pull up the turnip? What do you think you could do to help your family so you're all working together? What about putting your toys away when you've finished playing with them or helping to make your bed?

### Physical Development

What about going on an **Animal Walk** - take turns to choose an animal to be from the story. Can you walk on all fours like a cat, (don't forget to stroke your whiskers) or scurry around like a mouse? Maybe you could add some more animals too.

### Dough Disco

Have a dough disco at home! Pop on some music and squish any dough you have! You can easily make dough at home too - <https://theimaginationtree.com/best-ever-no-cook-play-dough-recipe/>

Some of our favourite dough disco songs:

<https://www.youtube.com/watch?v=zJQ2CaA7E5o>

<https://www.youtube.com/watch?v=i-JfzeG1aC4>

<https://www.youtube.com/watch?v=DrBsNhwzgc>

<https://www.youtube.com/watch?v=KSBO8N4ctJg>

### Health and Self Care

Everyone in **The Enormous Turnip** did lots of pulling to help get the turnip out. There are lots of different ways of pulling, why don't you look around the house to see if you can find different thing that can be pulled or pushed, maybe start by looking at your toys. Also if you're wearing something with a Zip, you could try fastening it and pulling it up.

### Reading

Look for our story videos on the main nursery page that you can watch together. We hope you like them.

As you read stories at home, talk about the characters and events in the story. Maybe

see if you can guess what is going to happen next. Draw pictures of your favourite character or parts of the story.

## Writing

Keep practising your sounds. We have learned s, a, t, p so far. Look for things in your home that start with each sound. Make a game of pairs where you match the sounds. Play I spy - I spy with my little eye, something beginning with...(a letter sound, not the letter name). Play a game called What's in the Box? Put a selection of items in a box that begin with two different letter sounds. You can work together to sort the items according to their initial sound.

Sing along to the Jolly Phonics songs <https://www.youtube.com/watch?v=jvAYUVQURGo>  
Can you draw a character from the story? Maybe you could draw the turnip, remember it's a circle shape.

Have a go at some writing too (parents, please celebrate their marks and ask your child what they have written. You can write it out underneath to record it if you wish)

## Maths

Practise counting forwards and backwards and writing numbers up to 10

<https://www.youtube.com/watch?v=7D4K9oi7oBM>

Look for opportunities to count around the house – how many steps to the kitchen? Go on a number hunt – what numbers can you see around you?

The Enormous Turnip story is a good way to introduce numbers that tell you the position of something in a list eg 1<sup>st</sup>, 2<sup>nd</sup>, 3<sup>rd</sup>, 4<sup>th</sup> etc. So in the story the man was 1<sup>st</sup>, the wife was 2<sup>nd</sup>, the boy was 3<sup>rd</sup>, the girl 4<sup>th</sup>, the dog 5<sup>th</sup>, cat 6<sup>th</sup> and the mouse was 7<sup>th</sup> and last. When you're watching the story you could talk about this and try and find some things at home that you can order in this way.

## Understanding the World

Watch Mr Bloom when he talks about how a turnip grows and how he manages to pull it out with his friends

<https://www.youtube.com/watch?v=4z9Dvw7T6jg>

Watch the vegetable song <https://www.youtube.com/watch?v=RE5tcvaveVak> and talk about which vegetables you eat. Why don't you count how many types of fruit and vegetables you eat each day. We're all supposed to eat at least 5 different kinds each day. Why don't you try a new vegetable this week and you can tell us about it when we phone you.

## Expressive Arts and Design

Can you draw or paint your favourite vegetable? You could try some vegetable printing too if you have any spare. When you're eating your dinner you could rearrange the food to make it look like a face? Maybe you could take a photo and email it to us.

## Dance and Music

Learn and practise nursery rhymes, for example Five Little Ducks, Mary had a Little Lamb. <https://www.bbc.co.uk/cbeebies/curations/nursery-rhymes>

Remember to watch and sing along to the song videos on the nursery website page too.

What about singing a new song about vegetable -

Cauliflowers fluffy - <https://www.youtube.com/watch?v=PukdaXUzgOU>

Mr Bloom has lots of songs you could sing too

<https://www.youtube.com/watch?v=ShojUW96vt4>

[https://www.youtube.com/watch?v=6ApDDDROKVE&list=PLO1NY7yoW3j\\_T02\\_0oGvjZYdc3mm9fJxa&index=16](https://www.youtube.com/watch?v=6ApDDDROKVE&list=PLO1NY7yoW3j_T02_0oGvjZYdc3mm9fJxa&index=16)

### **Most of all...**

We hope you are enjoying time as a family. The weather has been lovely - it makes such a difference when the sun shines! Take time to be together and have fun...and remember, CBeebies is always there when you need a break! ;-)
