

# Maths

Make patterns with legoblocks

Swat numbers

## Number Bonds Snap

Use playing cards to play snap but rather than snapping on pairs, snap on a decided number bond.

Write numbers on old bottles,

blocks with many inside.

Pipe cleaner beads

Order numbers on lego

fill

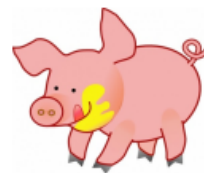

how are

## Musical Numbers

Place several number cards in a circle on the floor.

Walk around the number circle with a partner to music. When the music stops, freeze and say what the numbers you're both standing beside add up to.

## GREEDY PIG

Roll the dice, keep rolling and add up your total as you go. Be careful to not be greedy! If you roll a 1, you're out.

- Roll two dice and add numbers together.
- Go on a shape hunt.
- Count out actions – Do 10 star jumps, 20 hops etc.
- Say numbers that are one more or one less.

- Add small groups of objects together.  $5+2=$
