Learning from home - Reception

Happy Spring! Please remember these activities are suggestions, not things you must do. I fully appreciate that many of you are needing to work from home so just do what you can. If there is anything you are not sure of, or would like help with, please email to let me know.

Lisa is directing emails to us from the admin address. admin@fleet.camden.sch.uk

Reading

Look for another story on *The Oxford Reading Tree* website.

Registration is quick and easy if you haven't already done it. <https://home.oxfordowl.co.uk/reading/>

This week's poem has rhyming couplets. Encourage your child to predict what the rhyming word might be. This is a nice one to learn by heart and to add actions to.

Little Daffodils

One little daffodil had nothing much to do.
Out popped another one, then there were two.

Two little daffodils were smiling at a bee,
Out popped another one, then there were three.

Three little daffodils were growing by the door,
Out popped another one, then there were four.

Four little daffodils were glad to be alive,
Out popped another one, then there were five.

Five little daffodils were wearing golden crowns,
They danced in the breeze in green satin gowns.

Writing

Make Happy Easter or Happy Spring cards for your family or friends.

Keep up the fantastic role-play writing too!

I loved seeing Frankie's menu and Robyn's Funky Circus writing! Great job guys!

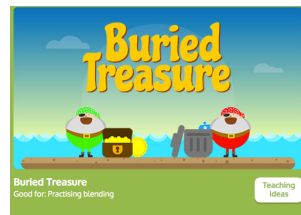

Phonics

Practise reading CVC words. Perhaps play this with the sound off.

<https://www.twinkl.co.uk/resource/t-l-527169-phase-2-phonics-cvc-blending-powerpoint>

Read and match rhyming words.

<https://www.twinkl.co.uk/resource/phase-2-rhyming-words-powerpoint-t-l-527505>

Continue to play some of the games on the phonics play website.

<https://new.phonicsplay.co.uk/resources>

Maths

This week focus on ordering numbers. Can you order numbers 1-10? 1-20? Some of you might even want to work with bigger numbers. Challenge yourself.

Write numbers onto a strip of card or paper, cut them up then order them or try some of these ideas.

Physical Development

Make an obstacle course inside.

Health and Self Care

Learn how to tie a knot. This is a good start for doing up laces.

Understanding the World

People and Communities

Some families will be celebrating Easter this week. Talk to your child about what is special to you as a family and things that you celebrate together and things their peers might celebrate too.

The World

Encourage your child to share their observations with you around signs of spring. What do they notice happening outside? What do they already know about the seasons? Help them build on this.

Talk about baby animals being born in spring. Help them learn baby animal names.

<https://www.youtube.com/watch?v=cJg4YFtvOp8>

Technology

Make a spring picture online.

<https://www.bbc.co.uk/cbbc/games/cbbc-picture-maker>

Expressive Arts and Design

Cupcake case daffodils or flowers are fun to make. You could use this idea to put on the front of a spring card.

Have a go at making blossom art with the base of a bottle.

Singing - The children love this tiny seed song - <https://www.youtube.com/watch?v=WoTPiEo2rnI>

Have a lovely week everyone. I will check in once with a phone call this week and next.

If you get a chance, send me some photos of what they have been busy doing to admin@fleet.camden.sch.uk.

Take care and chat to you soon,

☺Beth
