

# Reception's Reading

- Have a look at all of the slides before you start to read. Talk about what you can see in the pictures.
- Practice the words; *in*, *on* and *the*
- Search the pictures for clues to help you read each sentence.
- Remember, good readers get the first sound on the tip of their tongue and think about what a word might be.

# Animal Atlas

Animals live all over the world.

On the ice.

In the oceans and seas.

In the rivers.

On the grasslands.

In the deserts.

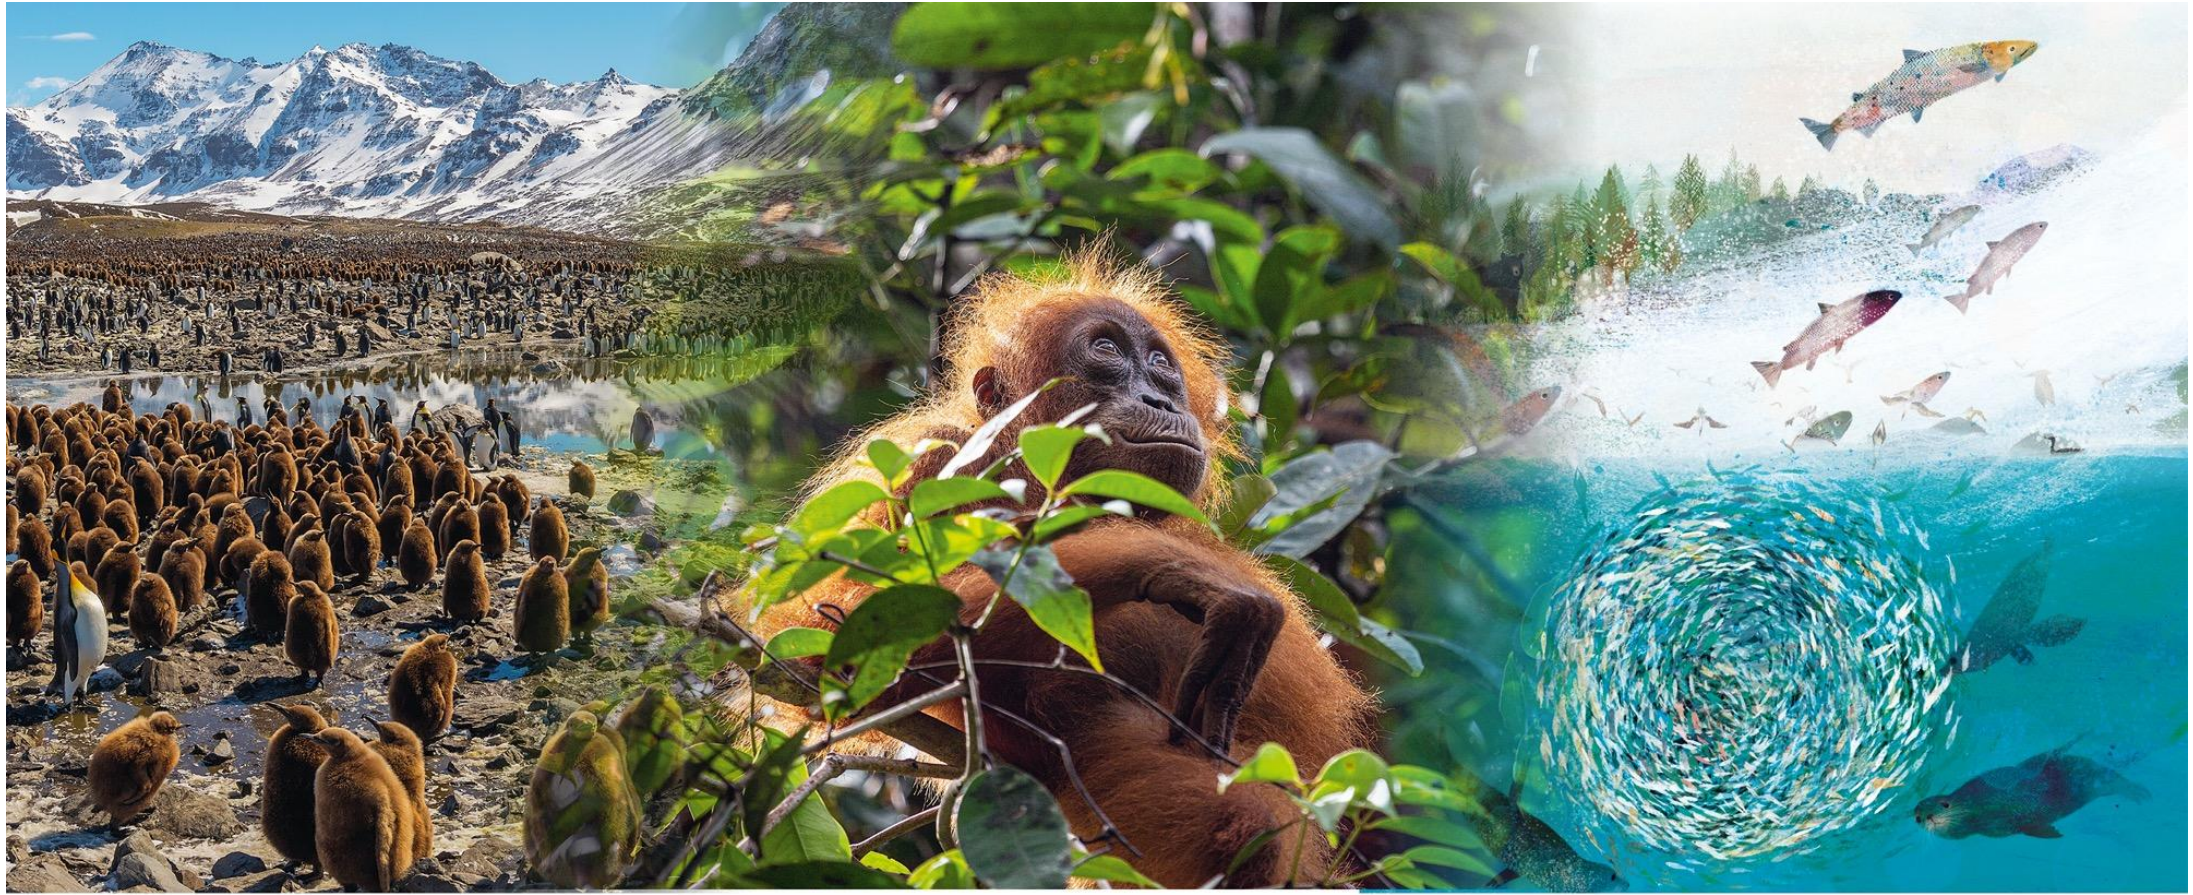

In the forests.

In the jungles.

All over our beautiful world.
