Headteacher: Don McGibbon

Learning from Home – Reception

Super Stories

This week our story is *Goldilocks and the Three Bears*.

I would love to see what the children have been busy doing so please remember to send photos of your home learning to admin@fleet.camden.sch.uk

Writing

Keep Out Poster

Write a keep out poster reminding Goldilocks why she can't come into your house.

Make up your own story

Watch the video of me reading Goldilocks and the Three Dinosaurs.

Make up your own Goldilocks and the Three_____ story.

What will they do together?

How about...

Goldilocks and the Three Unicorns

Goldilocks and the Three Puppies

Goldilocks and the Three Elephants

Goldilocks and the Three Monkeys

Goldilocks and the Three Dragons

Goldilocks and the Three Flamingos

They taught
each other
some dance
moves.

Happy Valentine's Day

Make a card for your valentine.
Inside write what you love about them.

Reading

This week our reading will be on Bug Club.

Please also have a look at the reading video *Big Animals*.

Bug Club

www.activelearnprimary.co.uk

Username - Child's name and first letter of surname

For example - BethC

Password - reception21

School Code - tpgk

Phonics

This week, we will learn the sounds j and v.

Please have a look at the phonics videos to go along with each of these sounds.

Jj

<https://www.bbc.co.uk/bitesize/topics/zvq9bdm/articles/zv3cy9q>

Initial Sound I Spy (j)

Find and circle all of the things that begin with j.

Read these j words

jam

jet

jacket

jog

Practise writing j

<https://www.bbc.co.uk/bitesize/topics/zvq9bdm/articles/zmp3pg8>

Which pictures start with a v?

van

rainbow

vegetables

octopus

volcano

violin

vulture

vet

snake

Have a go making a volcano!

<https://www.nhm.ac.uk/discover/how-to-make-a-volcano.html>

Maths

Addition and Subtraction

We have been practising addition and subtraction. This week I have mixed the questions up. Look and see if you need to add the sets together or take away.

Writing Number Sentences

Using a set of objects, practise addition and take away.
Write the number sentence to go with it.

What numbers are missing?

twinkl www.twinkl.co.uk

Have a go at some of these games.

Balloon volleyball

What you need: 1 balloon

People: 2 or more

Play: Inside or outside

Ways to play:

1. Everyone must be seated. Together, try to see how many times you can volley the balloon to each other.

Socks in pots!

What you need: 3 pairs of socks and 3 or more pots or pans

How to play:

- Place pots or pans at different distances away.
- Start behind a start line.
- Score one point for each pair of socks you throw that land in a pot or pan.
- Make this harder by labelling each pot or pan with a different number of points and seeing how many points you can score.

Bottle skittles

What you need: Plastic bottles and a pair of socks

People: 1 or more

Play: Inside or outside

How to play:

- Use empty plastic bottles as skittles and set them up approx. 5m away.
- Use a pair of socks rolled into a ball and try to hit as many skittles as possible down.

Play with more people by playing against someone else and seeing how many throws it takes to knock all of the skittles over.

Hit it to win it

What you need: Household items, a ball or rolled up socks

How to play:

- Place the household items out at varying distances.
- Begin behind a designated line and roll or throw your ball to hit one of your items.
- When successful retrieve the item you hit.
- Playing against someone else? Who can collect the most items?
- Playing by yourself? How quickly can you retrieve all items?
- Make this harder by allocating 2 points for items that are smaller or placed further from your start line.

Take aim!

Mousetrap

Get Set 4 P.E.

What you need: 1 basket, 1 large bottle, a ball or pair of socks, 1 or more players.

How to play:

- Turn the basket upside down. Tilt the basket as you keep it lifted at one end by placing it on top of the bottle.
- Using your ball or rolled up socks, try to hit the bottle so that the basket drops to the floor.
- Playing with a partner? Who can knock the mousetrap down first?
- Make this harder by standing further away when you make the throw.
- Then try balancing the basket with different items such as a trainer or some toilet rolls.

How's your aim?

Fine Motor Skills

Here are some lovely fine motor activities. It would be great to try a few of these each week. These types of activities help build the muscles in hands in preparation for writing.

- Play with puzzles.
- Make playdough snakes.
- Use tweezers to pick up small objects.
- Pick up coins and put in a bank.
- Make toothpick sculptures with marshmallows.
- Use a hole punch to make designs in a piece of paper (kids LOVE this one).
- String pasta onto wool.
- Shred paper by tearing it into strips.
- Play any game where you have to shake dice.
- Finger paint (use corn starch, food coloring and water for homemade finger paints)
- Sort small items such as beads.

- Play with interlocking blocks like Legos.
- Perform finger play songs ie Itsy Bitsy Spider.
- Paint a picture using cotton buds.
- Wrap small boxes with wrapping paper.
- Colour in a picture using small crayons.
- Build towers with small blocks.
- Use spoons to transfer small objects from one dish to another.
- Cut out pictures and glue on paper to make a collage.
- Cut out different shapes and make a collage.
- Cut out strips of paper and make a paper chain.
- Use cookie cutters for stencils.
- Create a paperclip chain.
- Play tic tac toe with raisins or small beads.
- Tape paper on the wall and draw a picture.
- Hang doll clothes up on a pretend play clothes line.
- Use a spray bottle with water.
- Play with finger puppets.
- Make a paper airplane.
- Cut up a picture into pieces to make your own puzzle.
- Practice tying your shoes.
- Colour a design on paper, fold it and make a fan.
- Play a hand clapping game with a friend.
- Draw a self portrait.
- Make confetti by tearing up recycled paper.

Handwriting

Line Letters

All of these letters start with a downwards line.

l t i j

Please have a look at the handwriting video on the website.

To warm up for handwriting, practise drawing lots of downwards strokes in the air.

Practise on paper

On your own piece of paper, practise writing each of these letters. The more you practise, the easier they will become.

Sensory practise

Paint letters, draw letters in a salt tray, make them out of dough, write the letter with a squirting water bottle etc

Drawing on backs

Draw one on these letters on your child's back. Can they guess what it is?
Swap over and get them to draw a letter on your back.

Understanding the World

Facts about Black Bears

- Black bears mostly eat grasses, herbs and fruit but will sometimes eat other things, including fish.
- The black bear's coat has lots of layers of fur, which keeps it warm in cold winter months.

- Their short claws make black bears expert tree climbers.

- Even though they are big, they are really fast runners.
- They have a very good sense of smell and can often be seen standing on their hind legs, sniffing scents!
- Usually they live in forests but black bears are also found in mountains and swamps.
- Black bears spend winter sleeping in their dens.

- They make their dens in caves, burrows or other sheltered spots. Sometimes they even make them in tree holes high above the ground!

What is your favourite type of bear?

Mud Art

There has been lots of rain lately so there is lots of lovely mud.

How about making a mud bear?

First, collect some mud.

Next, draw the face of a bear.

Use a fork to scoop up lots of lovely mud and scrap it across the page to make a furry bear.

You might also like to fill a page with mud then draw in it with your finger.

You could add some water to your mud and do some painting.

How about testing out some of your kitchen utensils or finding sticks to use as paint brushes.

Singing –

Here are some fun traditional tale songs –

Screen Free Friday

On Friday, as a school, we are aiming to have a digital detox day.

We have all been relying on screen so much lately!

Friday will be a good chance to stop, take stock and reflect of our wellbeing.

You could take yourselves for a lovely walk, do some baking and enjoy lots of books.

Here are some other things you might like to do that don't require a screen and are great for our wellbeing -

Do some colouring

Build a den

Make your own private place using a couple of chairs and an old sheet or towel.

My favourite song

Make up a dance to your favourite song. If you want you can perform it to the rest of the family!

Do a full body stretch

Three things

Stop and keep very still.
Listen – what are three things you can hear?
Look – what are three things you can see?
Feel – what are three things you can touch?

Pebble art

On your next walk, look for a nice smooth pebble. Decorate it when you get home using paints, paper, glue and felt-tips.

You will receive calls from Shami and myself throughout the week. Please keep an eye on the school website as I will upload story and learning videos regularly to support with the activities set out for the week.

We will have another zoom meeting on Thursday at 11.00am using the same link as last week. For the zoom this week, we will have a Valentine's Day theme. If your child makes a card for someone, they could share this with the class if they like. We will have a couple of songs, followed by a story.

Have a lovely week,

Love Beth
