Learning from Home – Reception

Animal Atlas

Animals that live in Asia

This week we are off to visit animals that live in Asia!

Please remember to send photos of your home learning to admin@fleet.camden.sch.uk so I can email a message back and print these out to add to profile books.

The Tiger Who Came to Tea

Judith Kerr

Writing

Role-play writing.

Write an invitation inviting an animal of your choice around for tea. Have a pretend tea party.

Reading

There are two ebooks to read this week - *Look Out* and *Tongues*.

Read this week's poem linked to our phonics this week.

A Scary Sight

It was a dark, dark night
without a cloud in sight.

A ghost came out
and gave us quite a fright!

"GO AWAY!" We yelled
with all our might.

The ghost flew away
without a fight.

igh

Phonics

This week we are learning the trigraph *igh*.

Check out this video about the *igh* sound

<https://www.bbc.co.uk/bitesize/topics/zvq9bdm/articles/zkhvbk>

Read these *igh* words.

high

bright

fright

night

sight

knight

Follow up by playing this game. Toss the dice and read a word from that line or maybe even the whole row.

Phase 3 Roll and Read - igh

•	high	sigh	light	night	might
• •	right	sight	fight	tight	thigh
• • •	sigh	night	right	fight	thigh
• • • •	tight	sight	might	light	high
• • • • •	sigh	sight	night	tight	light
• • • • • •	fight	night	right	thigh	sigh

Write a sentence that includes an *igh* word or two.

Maths

This week we are going to learn about number bonds to 10. Number bonds are the different ways you can make a number. For example, number bonds for 5 are 5+0, 2+3, 4+1, 2+3 and 1+4.

How many different ways can you make 10?

Number Bonds Hero

9 and 1 we've just begun

8 and 2 I need the loo

7 and 3 climb that tree

6 and 4 touch the floor

5 and 5 big high five

10 and 0, I'm a number bonds hero!

Use your fingers or a set of 10 objects to make number bonds for 10.

Take a photo or write some of the ones you have worked out.

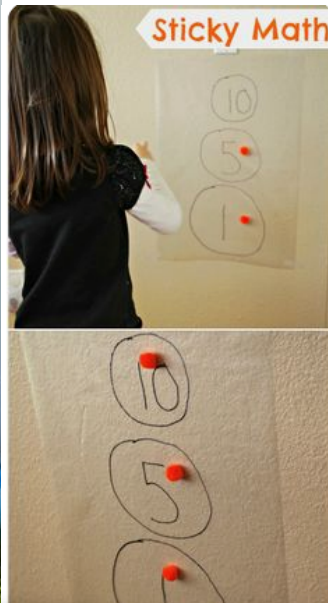

Check out this Numberblocks episode about 10.

Physical Development

Have a go at making your own targets and practice throwing.
Will you use an over arm or under arm throw to hit your target?

How about incorporating a bit of maths and add numbers to your targets?
Encourage your child to keep a running total of their score.

Understanding the World

Click here to find out more about Asia

Fun Facts about Tigers

- Tigers are the largest wild cats in the world.
Adults can weigh up to 363kg (that's about the same as *ten* ten year olds!)
- Tigers are carnivores, eating only meat.
- Tigers are good swimmers!
Unlike most members of the cat family, they like water and often cool off in pools or streams.

- Tigers have walked the earth for a long time.
Fossil remains of tigers found in parts of China are believed to be 2 million years old. Yikes!
- No two tigers have the same stripes.
Every tiger has their own pattern on their fur, they are all unique!

- Today, there are five subspecies of tiger. The Bengal tiger, South China tiger, Indochinese tiger, Sumatran tiger and Siberian tiger.
Sadly, three subspecies of tiger have become extinct - the Caspian, Bali and Javan.

The BBC followed a mother tiger and her 4 cubs. There are some interesting videos on youtube. It's hard work for the mother tiger to keep all of her babies together.

<https://www.youtube.com/watch?v=5ThQLGbt8bM&list=PL50KW6aT4Ugxzsb59IWycfly4euzavCY&index=2>

Here they are almost ready to go and find their own territory.

Expressive Arts and Design

Have a go at some of these tiger art ideas.
Paper plate, handprints or folded paper tigers.

Singing

This is fun - Robbie Williams Karaoke based on *The Tiger Who Came to Tea* Story

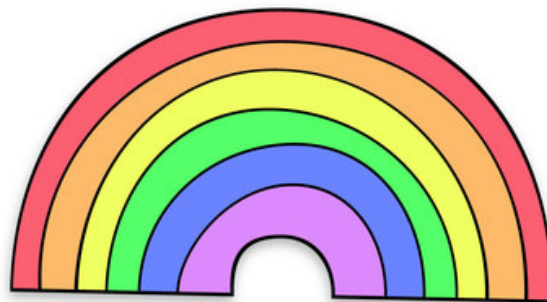

<https://www.youtube.com/watch?v=CgTHukOXhDw>

Class Photo

We don't want to miss out on having a class photo this year!!!

Please can you send me a headshot of your child and I'll collate them all into a nice picture. If you want to, your child can write a special message for the class and hold this up, or maybe even draw a rainbow. If it's easier just to send a photo, that's fine too. I'll leave it to you.

Myself or Lisa B will phone to check in with those not back at school.

Please remember you're welcome to email if there is anything you need help with.

Love Beth
