

My story about the school closing

The Government have asked Mr McGibbon to close the school. That way, children are farther apart from one another and it's harder for the Coronavirus to spread.

Even though the building is closed for a few weeks I will try to carry on learning at home.

My teacher will give me work to do on the school website.

I may be given activities from Interactive resources, top marks

I will have different activities to do during the day. I must remember to do Maths, English and Reading every day.

The Government will tell Mr McGibbon when he can open the school again so that I can learn in school with my class again.
