

Monday 25th January - Art

Watch this video about the artist Monet

<https://www.youtube.com/watch?v=7iEGeuVeUEg>

This is the
pink and
green house
where Monet
used to live.

Monet had a
beautiful
garden and he
loved to paint
pictures of
nature.

Monet did many paintings of Waterlilies.

Have a go at drawing your own Waterlily. You could watch this video to help you.

<https://www.youtube.com/watch?v=7zqs83AwBK>

You might like to...
Try this paper flower experiment.

https://www.youtube.com/watch?v=8-_fNyeQpI

Can you make a
bigger green one
with a smaller
pink one on top
so it looks like a
Waterlily?

<https://www.youtube.com/watch?v=1P2IvOX8T4s>

Watch this time lapse video to inspire you.

Tuesday 26th January - Computing

This task has been set for you on **SeeSaw**.

I will explain how to find it in our Tuesday morning Zoom call.

Draw a picture inspired by Monet's Waterlily paintings. Experiment with using lots of different blues, greens and purples to create the water.

Wednesday 27th January - Science

Grouping Things

Look at the way the things have been grouped.

Can you work out what each group is?

Today we are going to focus on this group.

Everything in this group was once living, but is now dead.

Once-living Things

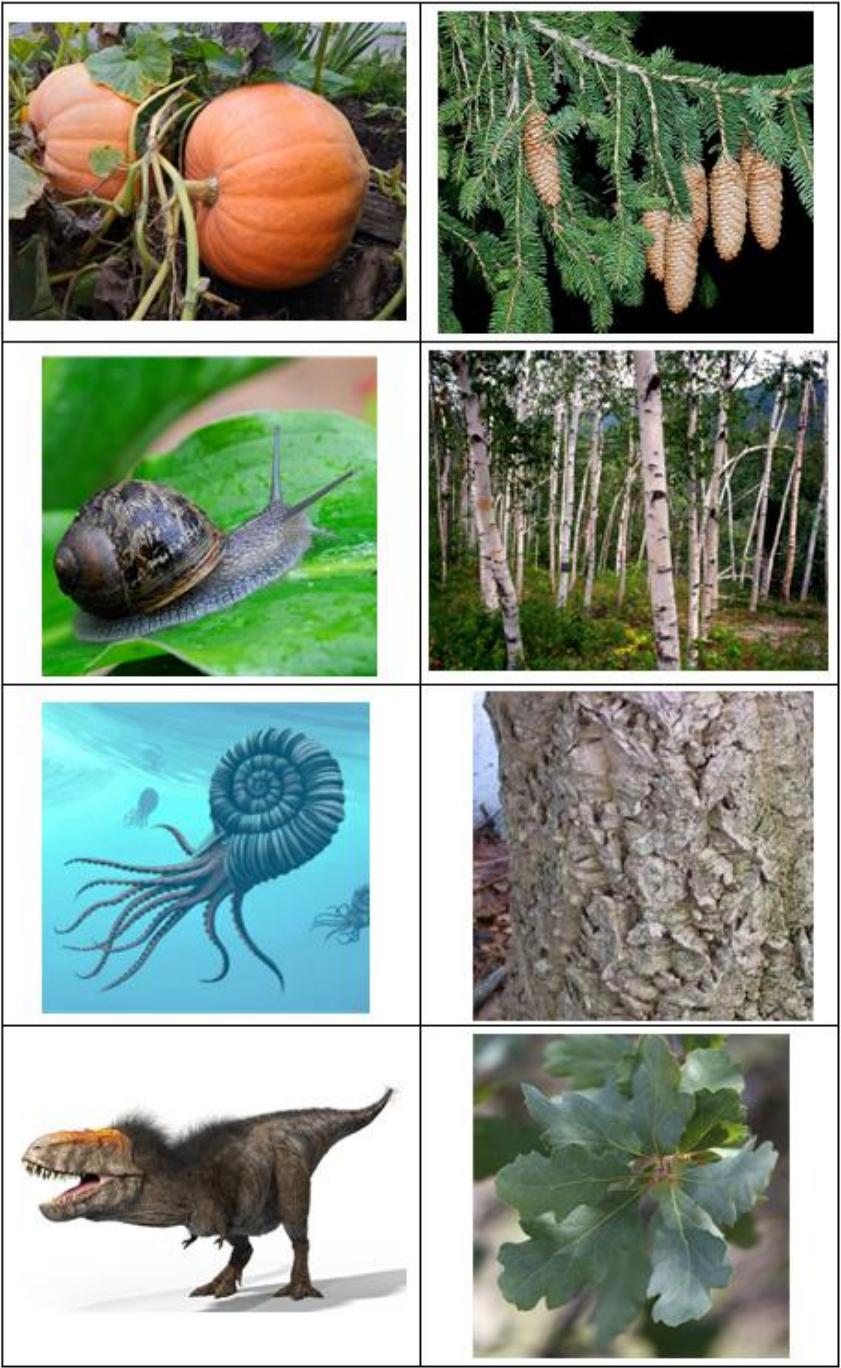

Something that was alive at one time
or was once part of a living thing.

Can you explore outside to find things that
used to be living or part of something living?

Cut out and
match the
pictures.
One group is
living and the
other group is
once-living.

Thursday 28th January – DT paper techniques

<https://vimeo.com/504061072>

Watch this video and practise the **tab** technique using recycled materials.

Can you try any of these other paper building techniques?

Friday 29th January - PE

<https://www.youtube.com/watch?v=ctZmWxYHWZk>

<https://www.youtube.com/watch?v=gUexOC3wd4Q>

Get fit with Coach Landers.

Start by watching his video to warm up and then try his toilet paper challenges.
