Watch Raluca reading the story 'Tidy'.

Hi Year 2, do you remember how we practised changing words from the present tense to the past tense? Start by changing these verbs into the past tense. I have done the first one for you.

clean **changes to** cleaned

wash

dust

brush

polish

collect

hoover

shampoo

Remember - sometimes
it sounds like **t** but it's
actually **ed** .

Do you remember how to change the ending if the word is short and ends in **consonant vowel consonant**? Try changing these verbs into the past tense. I have done the first one for you.

rub changes to **rubbed**

mop

scrub

Do you know how these words change to the past tense? They do not follow the -ed rules.

tidy changes to

sweep changes to

An apostrophe looks like this

It has a number of jobs to do in our writing. One of these is telling our readers when something belongs to someone – possession.

Instead of writing:

It was cold in the house belonging to Faiza.

We can write:

It was cold in Faiza's house.

When we use the **possessive apostrophe** for something belonging to one person or thing:

1. We write the name

Caleb

2. We add the apostrophe

Caleb'

3. We add 's'

Caleb's

Caleb's scarf

We are using Apostrophes

I need to:

- Look at the pictures and write sentences about Pete
- Use 's to show possession
- Draw a picture of a room in your house and label things that belong to your family

I can see Pete's trophies on his bookshelf.
