

# Fleet Primary School

Fleet Road Hampstead London NW3 2QT

Tel: 020 7485 2028

E-mail: [admin@fleet.camden.sch.uk](mailto:admin@fleet.camden.sch.uk)

Headteacher: Don McGibbon

## Learning from home - Year 1 (Part 2)

### English

1. Watch or read *Bee and Me* by Alison Jay.
2. Now look at the first picture on the video of the city. Write TEN things you can see, starting your sentences: I can see... Remember to add an Awesome Adjective to make your sentences more exciting and don't forget your capital letter, finger spaces and full stop!
3. Look at the woman in the window. Write down what she might be thinking
4. Write what you think the little girl is saying to the bee when she meets it
5. There are no words in this book, only pictures. Write a story to go with the pictures. Remember to have a BEGINNING, MIDDLE and an END. Make your story into a Mini Book - the lovely people at the British Library will explain how (see the website below)

<https://www.youtube.com/watch?v=DO215UAi4i4>

<https://www.bl.uk/childrens-books/activities/make-a-miniature-book>

### Phonics

Phonics Play has now been made FREE, which is great news! You can use it to play some of the games we use during our Phonics lessons. There's our favourite, *Obb and Bob*, to practice segmenting and blending - remember also to write down the word, add the Sound buttons and then put the word into a Sassy Sentence. You can also play *Tricky Word Trucks* as we do on Fridays here at school - how many of our Tricky Words can you identify and use in a Sassy Sentence? Have fun!

### Maths

1. Challenge yourself on Mathletics!
2. Ask your adult to sign you up to U R Brainy and challenge yourself with the addition, subtraction and measurement games.
3. Challenge yourself with Numbers to 100 using your Place Value knowledge (see the attached Maths Challenge sheet)

<https://urbrainy.com/mathss/free-home-study-packs/year-1>

### Science

1. Watch the *How to Build a Bug Hotel* video. Also have a look at the Minibeast Mansion.
2. Now, draw a plan of what your Bug Hotel would look like and label the different parts.
3. Finally, write a list of the bugs/minibeasts you would like to attract to your Hotel. Think about those bugs we have discussed that are important to humans and our environment. Draw a picture of each bug and write the name of the bug beside each drawing.

## History

1. Write down **THREE** questions that you think these children might ask you about Fleet as it is now for us in 2020. They might want to know what we do every day or what how we use the iPads or what your teacher is like! Don't forget the question marks!

## Geography

Watch the video about maps. Now, draw and label a map of your bedroom. Happy mapping!

<https://www.youtube.com/watch?v=DSnVCV4uGGQ>

## Art

Use a cardboard box to make a model of your bedroom, using the map you made of it for Geography.

What can you find around the house to use in your model? How creative can you be? Remember to ask your adult first before you use anything, though! Happy modelling!

## DT

Use a cardboard box to create a model of the Bug Hotel that you planned and drew for Science. Again, remember to ask your adult first before you use anything! Have fun!
