

Science

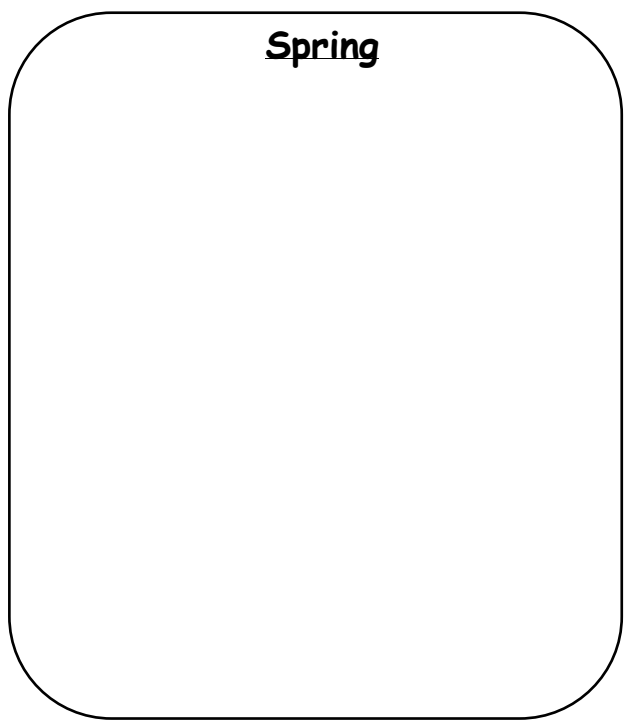

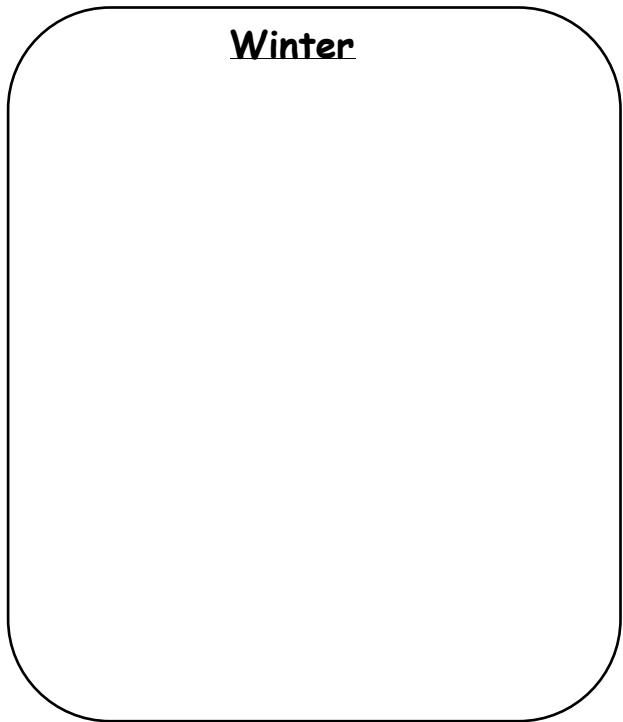

Seasons Activity 1

Ask your adult to sign up to **Explorify** and watch this video about **the changes as Winter turns to Spring**:

<https://explorify.wellcome.ac.uk/en/activities/whats-going-on/spring-flowers>

Now, draw a **Winter scene** and then draw a **Spring Scene** below.

Chilli Challenge I: To challenge yourself, **label** both pictures, showing the **differences**.

Chilli Challenge II: Write down **TWO** more **differences** between Winter and Spring (eg: weather, temperature, light etc.)

Seasons Activity 2

Look at the Seasons Wheels Resource and put together the Spring Wheel.

Chilli Challenge I: Put together the Autumn Wheel

Chilli Challenge II: Put together the Winter Wheel
