Y1 Home Learning (wc. 6.7.20)

Hello, Y1! You are all continuing to do so very well in class and at home - I am a super proud teacher!

As usual, for those of you staying at home and not coming into school for now, the tasks/activities for each subject are, as always, in order of the day you should complete them.

For those of you in **Bubble A**, **we will do the Monday and Tuesday tasks/activities in class and you will complete the follow-on learning from these at home on Thursday and Friday.**

For those of you in **Bubble B**, **you can now do the Thursday and Friday tasks/activities from last week (wc 29.6.20), but NOT from this week.** We will do this week's Monday and Tuesday tasks/activities in class at the end of the week when you are with me.

As always, I'm really looking forward to seeing your wonderful learning!

You're putting in lots of effort and I am super proud of you all!

Keep smiling!

English

This week, our focus is on learning about adding the prefix 'un-' to words to change their meaning. Go to the English Resource to discover more.

Phonics

Our focus this week is on revision. As usual, there is an activity for each day for your Brilliant Brains! Happy learning, Fantastic Phonics Funsters!

Reading

Keep reading every day! As usual, there is also an Awesome Activity for each day. This week, I want you to listen to 'Crayon Poem', by **Jovial James Carter**: Happy reading and listening, my Curious Critics! Thank you to those who have sent me their photos of their favourite places to read - if you haven't done so please do soon - I've loved seeing you all reading in your fabulous Reading Nooks!

Maths

This week we are **focussing on revising our counting to and from 100 and Place Value.** There is lots of revision this week so go back into your Big Brains to try to remember what we have learned already - I'll give you some hints along the way to help. Go to our Maths Resource to discover more. Have fun, Magical Maths Detectives!

Topic/History

In Topic/History this week, **we are continuing our focus on Samuel Pepys and the Great Fire of London.** Go to our Topic-History Resource to find out more.

Science

This week in Science, **we are focusing on revising Everyday Materials.** You have all been Super Scientists this term - now let's see how much you remember! Go to our Science Resource to find out what we're doing.

Art/Class Photo Challenge

Smile! If you haven't already done this, please do it this week as it is the final week to get your photo to me -I want to see all your lovely faces in our Class Photo Collage this year! Go to the Art-Class Photo Resource to remind you of what you need to do (and to see some more of your fantastic classmates!) Thank you to those who have already sent in photos - they are wonderful and have made us all smile!
