## Y1 Home Learning (wc. 8.6.20)

---

Hello! So, things are a little different this week so please politely tell your adult to read the instructions below very carefully before you begin any of the learning.

For those of you **staying at home and not coming into school for now**, the tasks/activities for each subject are, as always, in order of the day you should complete them. They are the same as and follow on from what we will be doing in class so we'll all be completing the same learning on the same day, which will be a lovely treat!

For those of you in **Bubble A** (coming into school at the beginning of each week) we will do the Monday and Tuesday tasks/activities in class and you will complete the follow-on learning from these at home on Thursday and Friday.

For those of you in **Bubble B** (coming into school at the end of the week), do NOT attempt any of the Monday or Tuesday tasks/activities this week as we will do these in class on Thursday and Friday and then you will complete the follow-on learning when you are learning from home the following Monday and Tuesday. This will keep us all together with our learning. If you do the tasks/activities ahead of Monday or Thursday, you will simply repeat the learning we do in class, which will be boring for you, and we in Y1 never like to be boring or bored!

To keep you occupied before you come into school at the end of next week, there are lots of other tasks/activities on the Y1 webpage to challenge you so choose some of those and challenge yourself!

I can't wait to see all your wonderful learning!  
Keep smiling!
