## Y1 Home Learning (wc. 15.6.20)

---

**Hello, Y1! We are starting to get into our new routine, which is fantastic!**

For those of you **staying at home and not coming into school for now**, the tasks/activities for each subject are, as always, in order of the day you should complete them.

For those of you in **Bubble A**, we will do the Monday and Tuesday tasks/activities in class and you will complete the follow-on learning from these at home on Thursday and Friday.

For those of you in **Bubble B**, you can now do the Thursday and Friday tasks/activities from last week (wc 8.6.20), but NOT from this week. We will do this week's Monday and Tuesday tasks/activities in class at the end of the week when you are with me.

**As always, I'm really looking forward to seeing your wonderful learning!**

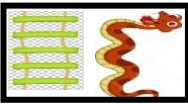

**You're putting in lots of effort and I am super proud of you all!**

**Keep smiling!**
