Y1 Home Learning (wc. 22.6.20)

Hello, Y1! You are all continuing to do so very well in class and at home - I am a super proud teacher!

As usual, for those of you staying at home and not coming into school for now, the tasks/activities for each subject are, as always, in order of the day you should complete them.

For those of you in **Bubble A**, **we will do the Monday and Tuesday tasks/activities in class and you will complete the follow-on learning from these at home on Thursday and Friday.**

For those of you in **Bubble B**, **you can now do the Thursday and Friday tasks/activities from last week (wc 15.6.20), but NOT from this week.** We will do this week's Monday and Tuesday tasks/activities in class at the end of the week when you are with me.

As always, I'm really looking forward to seeing your wonderful learning!

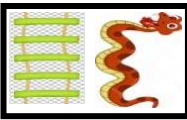

You're putting in lots of effort and I am super proud of you all!

Keep smiling!

Art/Class Photo Challenge

Say cheese! If you haven't already done this, please do it this week -I want to see all your lovely faces in the class photo for this year! It would be really sad not to have one or to only have some of the class in the photo. Please make this a priority this week. Go to the Art-Class Photo Resource to remind you of what you need to do (and to see two of your wonderful classmates!)
