## Commotion in the Ocean

### Commotion in the Ocean

There's a curious commotion  
At the bottom of the ocean.  
I think we ought to go and take a look.

You'll find every sort of creature  
That lives beneath the sea  
Swimming through the pages of this book.

There are dolphins, whales, and penguins,  
There are jellyfish and sharks,  
There's the turtle and the big white polar bear.

But can you see behind the wrecks  
And in between the rocks?  
Let's take a look and find who's hiding there. . .

1. Take a good look at the picture with your very best looking eyes! ☹️  
What sea creatures can you see? Which one is your favourite?
2. Next, draw a picture of your favourite creature from the picture.
3. Now, underneath your drawing, write the name of your sea creature. Use the Commotion in the Ocean Word/Image Mat below to help you with your drawing and writing.
4. Finally, all around your drawing, write some Awesome Adjectives to describe your creature. You can write these adjectives in coloured pencil, if you like. Is your sea creature big or small? What colour is it? Is it fast or slow? Is it shiny or sparkly? Use the Wow Words/Adjective Mat below to help you.
