

# Maths - Addition

## Challenge 1

Work out the **missing numbers** on the Number Line:

<https://uk.ixl.com/math/year-1/number-lines-up-to-20>

Now try some **addition up to 10**. Remember those Number Bonds!

<https://uk.ixl.com/math/year-1/add-with-pictures-sums-up-to-10>

Challenge yourself with **addition up to 20**.

<https://uk.ixl.com/math/year-1/add-with-pictures-sums-up-to-20>

# Maths - Addition

## Challenge 2

Match the pictures with the correct Number Sentence.

I need some Team Y1 support with completing some of the Number Sentences too. Please help me!

You can use the Number Lines and Hundred Square from last week if you would like some help.

$$8 + 4 = 12$$

$$\square = 12 + 3$$

$$\square = 6 + 5$$

$$5 + \square = \square$$

## Maths - Addition

Match the Number Sentences with the correct answer.

$2 + 7$

$9 + 5$

$5 + 5$

$9 + 11$

$10 + 5$

$13 + 8$

$2 + 17$

20

21

19

14

10

9

15

**Spicy Challenge:** Write your own Number Sentence and answer.

I will put everyone's together next week and we'll see if we can match the Number Sentences with the correct answer in class.

## Challenge 3

### Maths Adventurers: Problem Solving

Now, let's use all that Maths knowledge to solve a **Maths Problem**. Click on this link: <https://nrich.maths.org/229>

And here's another to think about and tackle, if you'd like a challenge! (and I know you do!) Click on the link:
