Wednesday 20<sup>th</sup> January

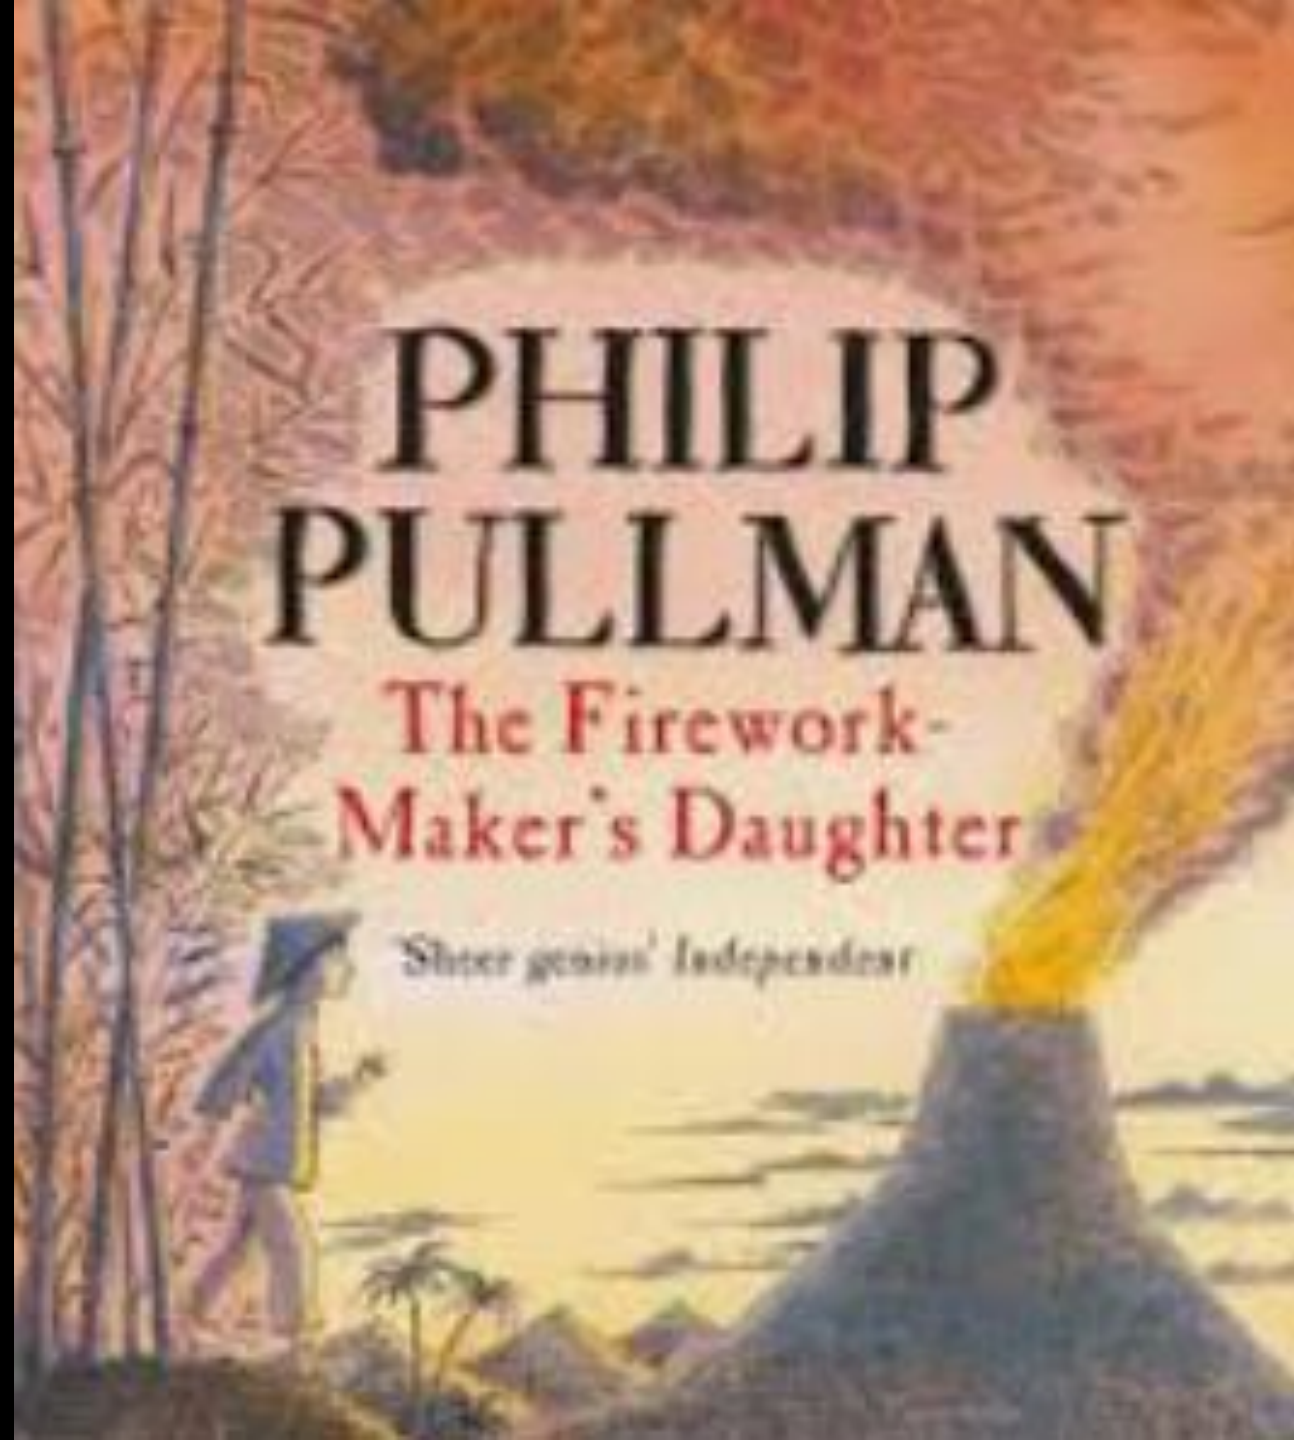

L.O: I can analyse characters in a  
story

First, watch the video of me reading 'The Firework Maker's Daughter - Chapter 1'

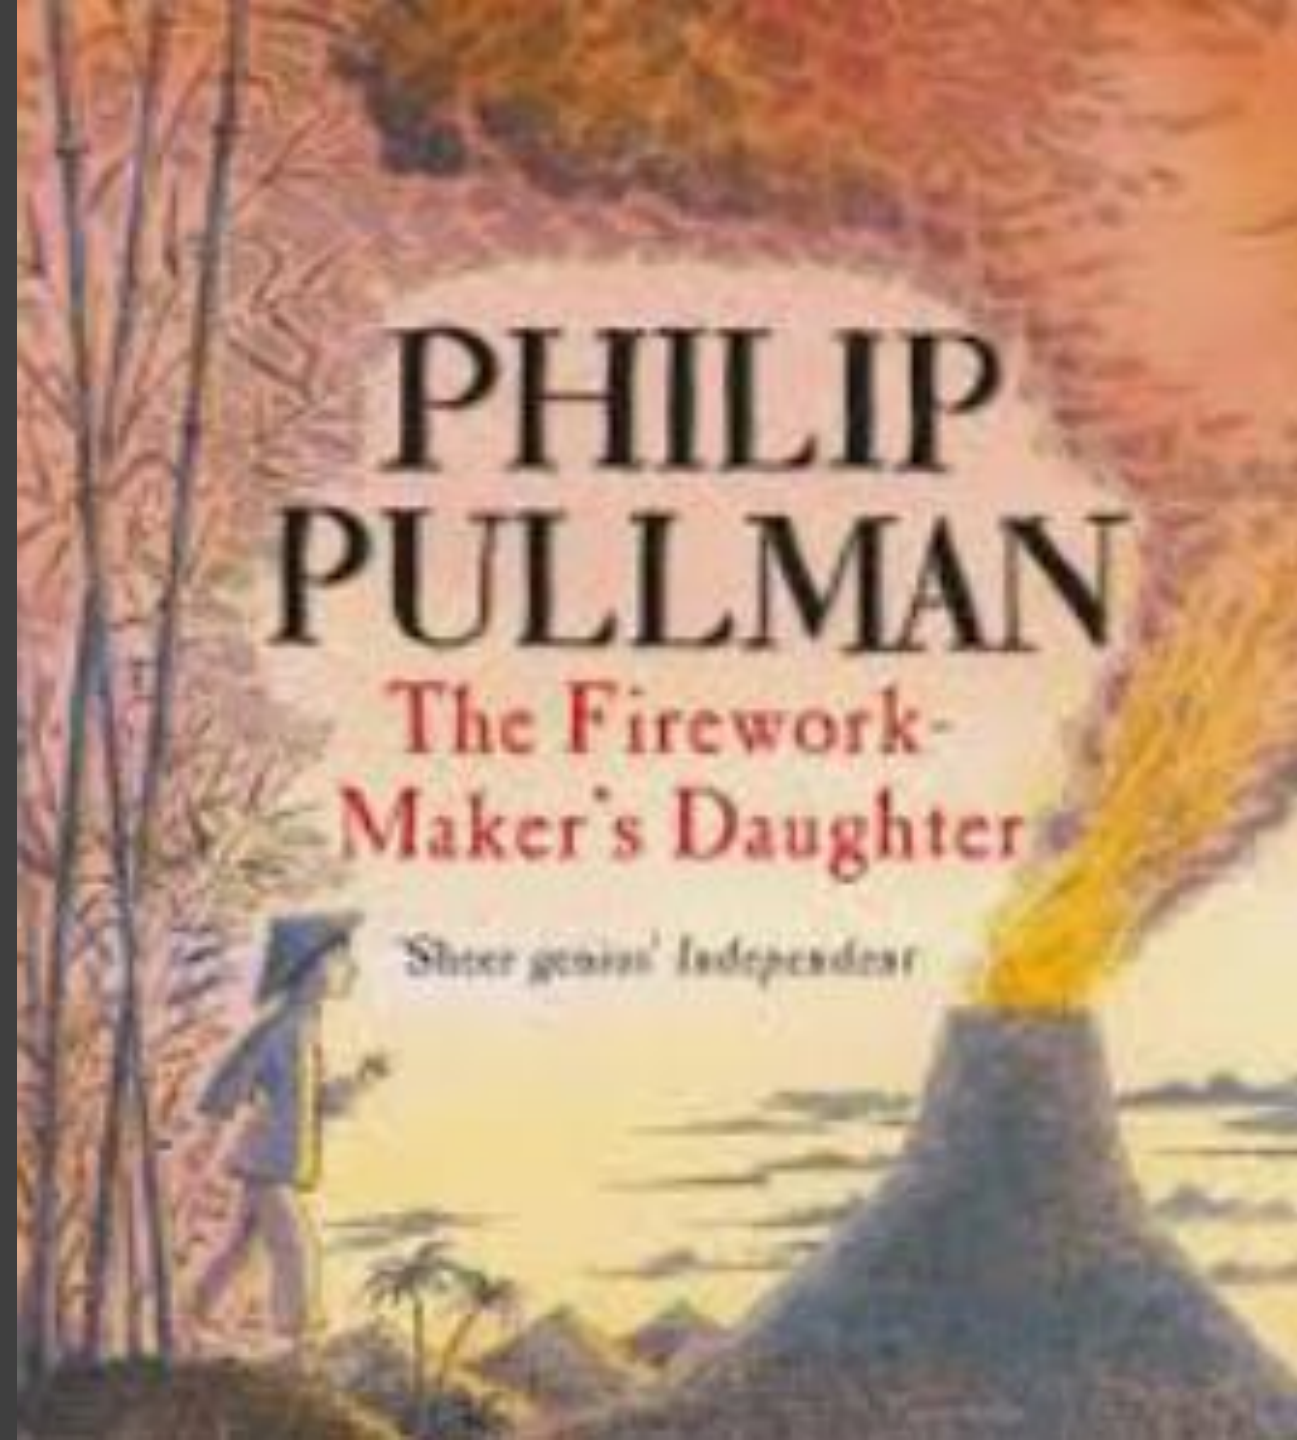

So far, we have met several different characters. Which ones can you think of?

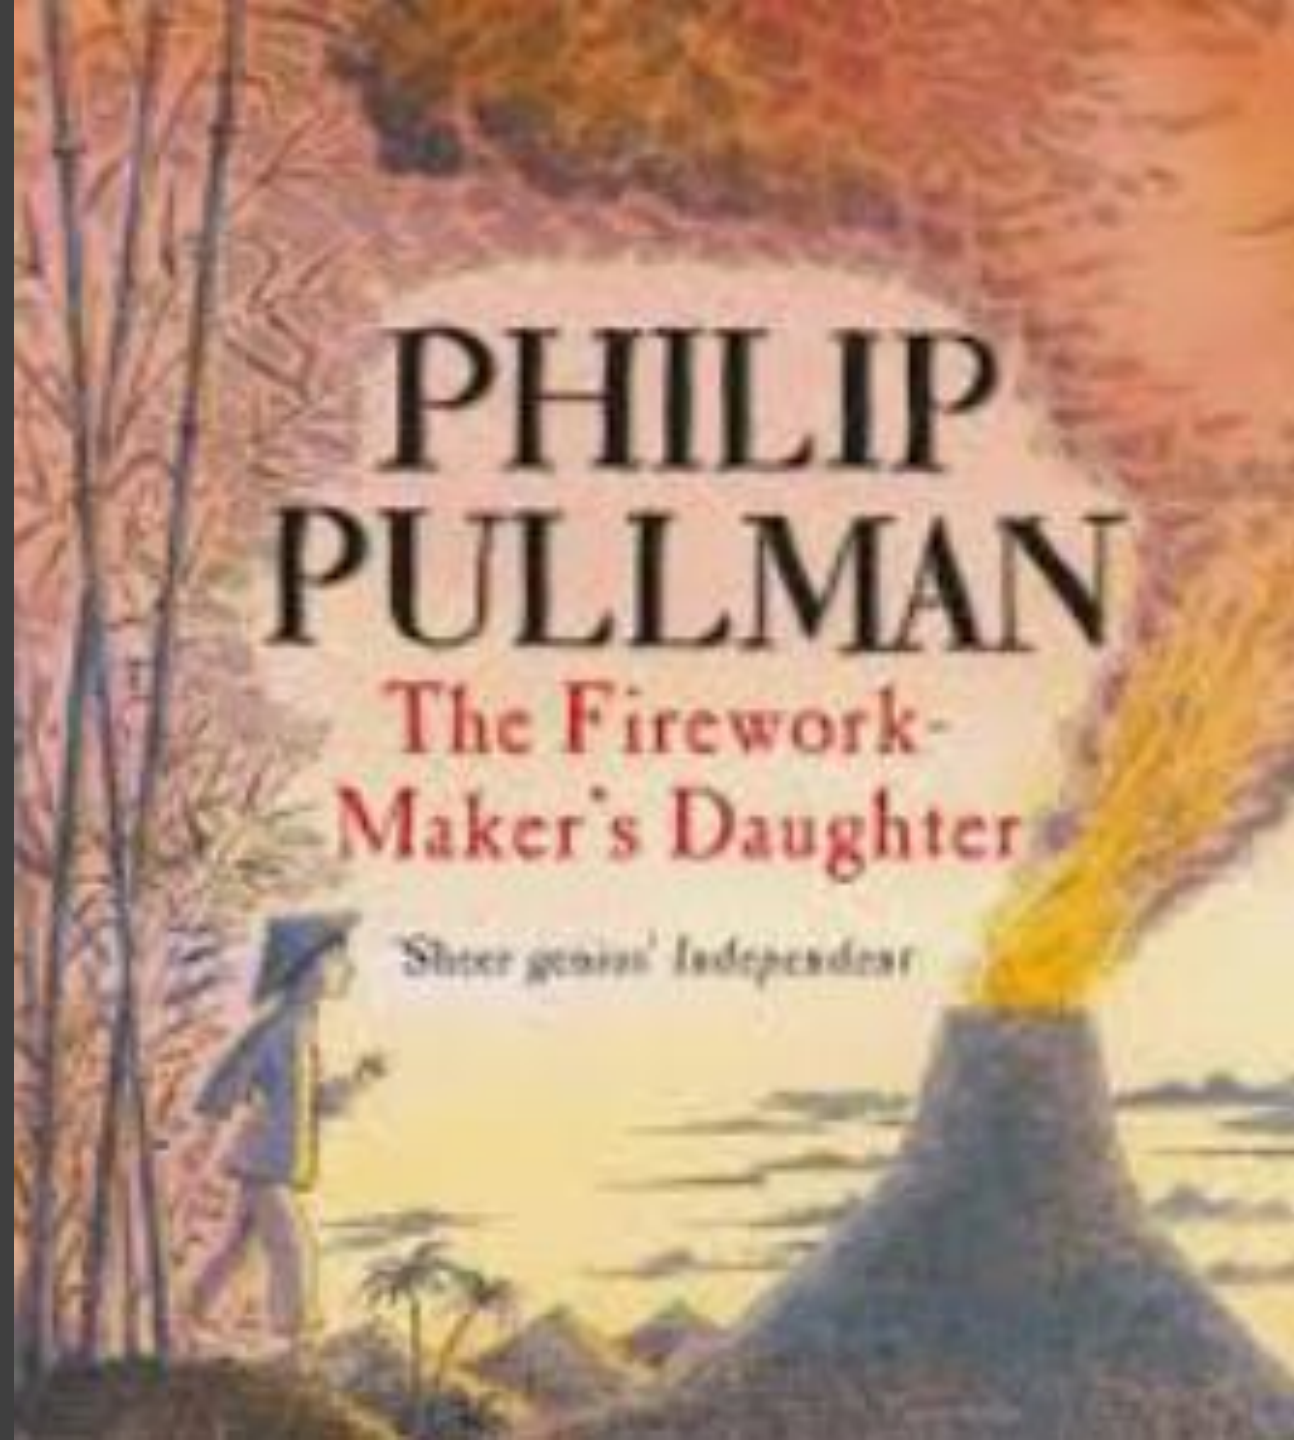

Characters we've  
met so far:

- Hamlet
- Lila
- Chulak
- Lachland

Today, we're going to think about those characters.

# Character Analysis Grid

Character	Analysis
Lila	
Hamlet	
Chulak	
Lachland	

# Let's do Lila together...

Character	Analysis
Lila	<p data-bbox="428 475 1582 522">She is inventive because she makes new types of fireworks.</p> <p data-bbox="428 589 1691 636">She wants to be a Firework-Maker because she tells her dad this.</p> <p data-bbox="428 704 2023 751">She does not want a husband because she is 'horrified' when her dad mentions it.</p>

Your task for today is to complete the grid. I look forward to reading your insights about the characters!
