## Happiness Project

*Awareness: Live Life Mindfully*

*The skill of focusing your attention on the present is an important skill for **happiness**. Everyone's mind naturally wanders but if you can train yourself to focus your attention more mindfully on the present, it can help you to feel calm. It sounds easy but takes practise! The good news is, you can practise being mindful in lots of ways.*

**Your 'Awareness' activity is to:**

Have a 'mindful' snack by describing the smell, taste and texture of the food.

## Reading – everyday!

You should be reading for at least 20-30 minutes every day. You also have a comprehension or phonics activity to complete. The answers are included so you can mark your own work! *The \* options are at the bottom of the pages!*

Neverland – complete ‘Neverland Reading Comprehension’ (this is your English Task 18.1.21).

Narnia, Oz, Chocolate Factory, Hogwarts, 100 Acre Wood – complete ‘Hindu Gods’ Reading Comprehension (this is your English Task 18.1.21).
