Jot down on a piece of paper what you can hear and see.

Today, we are going to think about what Lila can see, hear, touch and smell in the jungle!

The jungle was a noisy place. Monkeys gibbered in the trees, parrots screeched and crocodiles snapped their jaws in the river. Every so often Lila had to step carefully over a snake sleeping in the sun and once she heard the roar of a mighty tiger. There was no-one to be seen except some fisherman laboriously rowing their boat across from the other side of the river.

You are going to complete the senses grid

What Lila can	My ideas
See	Furry monkeys, colourful parrots,
Hear	The roar of a mighty tiger, water dripping from the leaves,
