

Sharing Smiles

Write to the NHS

Dear Parents

‘**Sharing Smiles - Write to the NHS**’ is an initiative encouraging children to send light-hearted messages to doctors/nurses working on the Covid-19 wards. This can be in the form of a funny story, jokes, poem or drawing a picture to help boost morale and cheer them up during this difficult time.

Their messages will then be delivered to the hospitals by the ‘**You Donate ... We Deliver**’ (YDWD) team in Borehamwood, who provide approximately 2,000 meals /day to over 20 hospitals.

Please post the messages to:

Sharing Smiles, c/o P.O. Box 1188, Bushey, Herts WD23 9GP

or if need be, scan and email them to:

sharingsmiles2020@gmail.com

The deadline is: 25th May

Thank you for your support and stay safe.

Best wishes

Laura Bloomberg
