Headteacher: Don McGibbon

## Year 4 home learning tasks for week beginning 27.04.20

Below is a list of tasks and activities to work on over this week. Your child should be able to work on these tasks mostly independently, although it's always nice for them to discuss their ideas and share what they've achieved with someone. We do not expect every single task to be completed, rather it is a list of ideas to keep them busy and learning, in line with the National Curriculum. Whilst it is important to keep learning key facts, knowledge and skills this is also a great opportunity for your child to explore their interests further and be creative.

Please share a sample of their learning with us every week – a piece of English, Maths and perhaps another piece they are very proud of – by emailing it to [admin@fleet.camden.sch.uk](mailto:admin@fleet.camden.sch.uk) with the class teacher's name as the subject

### English – writing

This week you'll be writing your reports about Amazon animals. There are 4 subheadings to do, plus an introduction, so it might be a good idea to write one or two paragraphs per day to spread the work out. Check the power point for what to do. We're looking forward to reading them!

### English – reading

This week we'd like you to read the story here, all about a boy building a robot to help with his chores: <https://storyworksjr.scholastic.com/issues/2017-18/090117/clean-start.html>. Read it then answer the questions.

If you've got time you may also like to read this article for fun:

<https://superscience.scholastic.com/issues/2017-18/110117/worlds-wildest-plants.html#790L>. It's got some good information about plants in the rainforest!

There are also lots of great resources available here: <https://www.camden.gov.uk/digital-library>

### History

We are going to be learning about the Incas! Start exploring who the Incas were. Look at some of the information on this website: <https://www.dfindout.com/uk/history/incas/> and the power point. Make a poster or fact file with lots of information all about them. You might like to include: who they were and when and where they lived, their empire, their clothes, inventions, schools, homes... Add some pictures if you want!

### Maths

This week we're going to order and compare decimals.

You can access all the learning on the White Rose maths website:

<https://whiterosemaths.com/homelearning/year-4/>

Please use the 'Summer Term – Week 1' section, NOT the 'Week 1' or 'Week 2'. **Watch the video and try the activity.** You don't need to print anything, just write your answers on some paper. We would like you to try all 4 lessons.

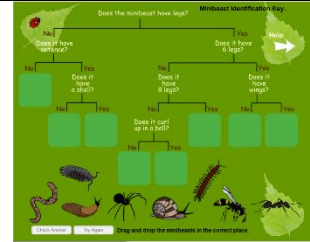

## Science

Last week we learned about the characteristics of living things. This week, we're going to check out our local habitats. Have a look at the document called Science 27.04 to find out more.

You could collect leaves from trees in your local habitat. This could be from a park nearby where you go for walks or, if you're lucky, from your own garden.

Have a go at the game on this website which gets you to classify insects:

[http://www.science-resources.co.uk/KS2/Habitats/Minibeast\\_identification.html](http://www.science-resources.co.uk/KS2/Habitats/Minibeast_identification.html)

## French

This week we're going to learn the vocabulary for some of the foods we like to eat. This is a fun song to help you pronounce some of the words:

<https://www.bing.com/videos/search?q=alain%20le%20lait%20food&q=MM&sp=7&ghc=1&pq=alain%20le%20lait%20&sk=MM6&sc=8->

[14&cvid=252D5F19F00441BBAF2C377CEE980610&FORM=VDVXX](https://www.bing.com/videos/search?q=alain%20le%20lait%20food&q=MM&sp=7&ghc=1&pq=alain%20le%20lait%20&sk=MM6&sc=8-14&cvid=252D5F19F00441BBAF2C377CEE980610&FORM=VDVXX)

Use the information from the French page in the Home Learning pages to help you make a menu including the French words for the foods you've learned. Don't forget to include prices and pictures!

des frites

une glace

## Music

Our fabulous trumpet and trombone teacher, Rod, has put up some videos for Yr4 so you can continue with your learning. Here's the link:

<https://takylos.wixsite.com/mysite-1/find-your-school>

Also, the BBC has put together a weekly Music activity. This week it's featuring a piece of music about a train chugging through Brazil:

<https://www.bbc.co.uk/teach/ten-pieces/ten-pieces-at-home/ziy3382>

## DT

Last week you might have tried cooking your own South American inspired dish. This week, write up your recipe. Try not to copy straight from the one you used. Imagine you're writing it for one of your friends. Do you have any helpful hints to add?

Remember, you'll need to include:

- A title
- Pictures (some of your own dish from last week?)
- Ingredients and the amounts
- Method (a numbered list is really helpful)
