

Start by making sure you have your letter planning grids from yesterday.

Remember the examples we did together?

T	A	K	H	A	D
			has		doesn't
W	F football	L	O	I	L
	French				likes
I	Q	E enjoys			
		English			

Now we're going to write the acrostic poems.

Write down the letters in your name vertically down the side of your page.

Then, start choosing some ideas to use from your grid and making them into sentences.

Remember - your poem should describe your identity (you!). Try not to repeat ideas.
