

Did you enjoy writing your acrostic poems yesterday?

Now we've got the hang of them, let's do another one today!

Think about the children in our class.

Choose someone you know well and write their name in a grid, like you did on Monday.

Think of some ideas you could use to make an acrostic poem all about them.

Wednesday 13th January 2021

I can write an acrostic poem.

Now use your plans to write an acrostic poem
about someone else in our class.

Don't forget to send them to us and we'll share
some!
