 - He flew for the first time with his father.**
3. What did Neil Armstrong love to do in his spare time?
He loved to make model aircraft.
4. What does the author mean when they describe Neil Armstrong as a 'worldwide name'?
It means his name was known all over the world because he had achieved something so amazing: he was the first person on the Moon!
5. How could Armstrong afford to take flying lessons?
He could afford to take flying lessons because he worked and earned money at a local chemist.
6. Explain why the crew did not come straight back home after landing on the Moon.
Pupils' own responses explaining what they did on the Moon and why: The astronauts planted a flag of the United States and spent time collecting moon rocks so they could be studied back on Earth.
7. Why do you think people wanted the astronauts to tour the country after arriving home?
Pupils' own responses that show an understanding of how popular the astronauts were as heroes having walked on the Moon.
8. How would you describe Neil Armstrong? Use evidence from the text to support your answer.
Pupils' own responses that refer to information in the text. For example, I think that he was hardworking because he worked in a local chemist to raise money to pay for flying lessons. This shows that he was willing to work hard to achieve his dream. He was calm under pressure and able to fly in very dangerous situations and this would be useful on a mission to the Moon.
