

## Year 4 Transition Task

Hi Year 4!

Hopefully you've watched the my video.

You can find it at <https://vimeo.com/436450329/4e91974b05>

On the following pages is everything you need to complete the task I've set for you.

Your task is to create a coat of arms/shield filled with pictures representing you.

On the next page are more detailed instructions.

The page after that is a blank template you can print to do your task on, or just draw your own outline if you can't print at home.

On the last page is my example.

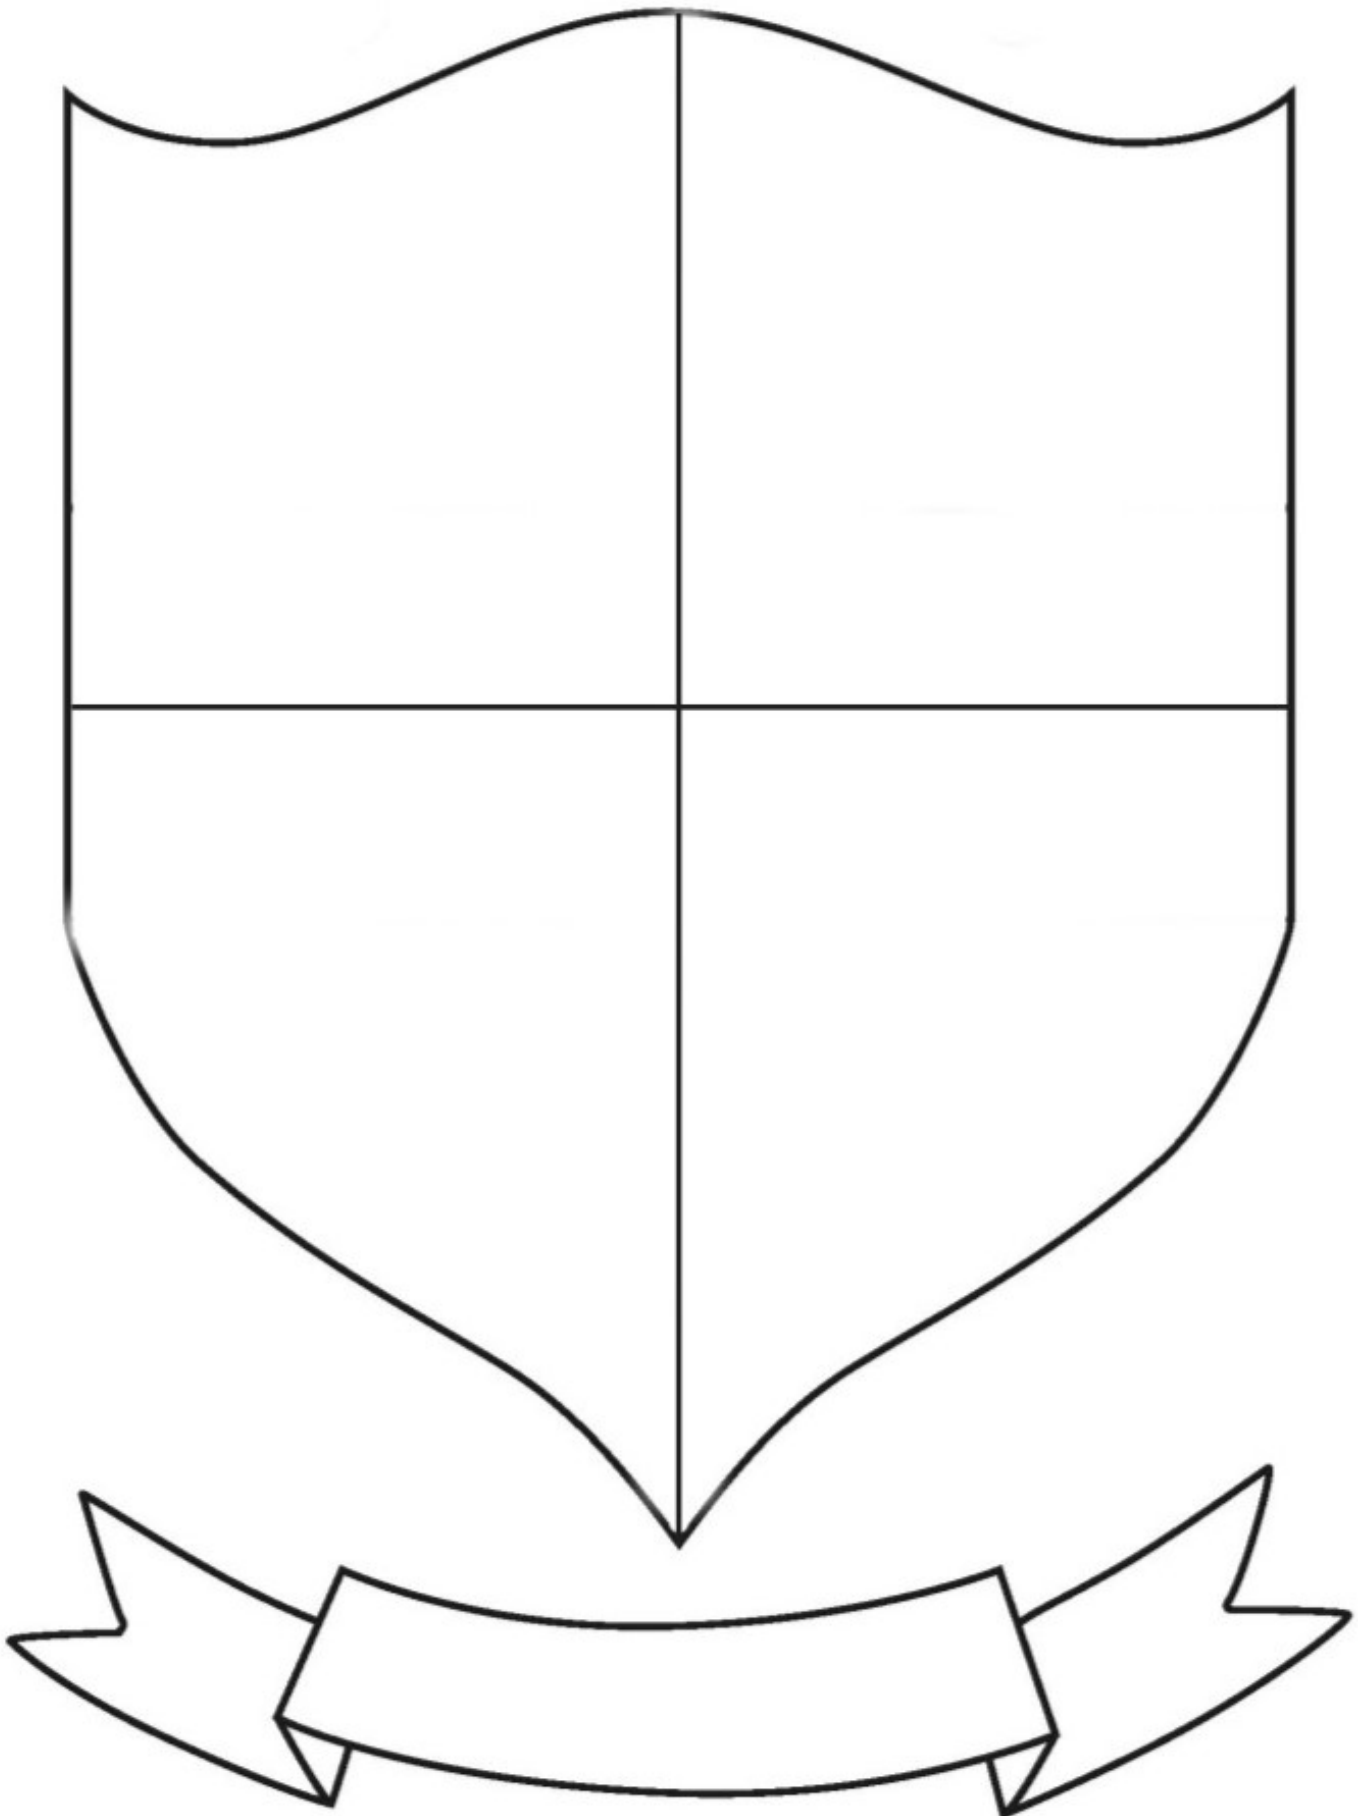

You can watch the video on the again for more detail—it's the last 3 minutes.

I'm really looking forward to seeing your completed coats of arms and teaching you next year!

Have a great summer!

Ms Kingham.

**How to complete the task:** Fill out the front as shown below. On the back, write a sentence or two explaining why you've chosen what's in each section. E.g.: *I chose art because I enjoy being creative and experimenting with colours and blending. I prefer doing pencil sketches to painting.*

In this section, a picture representing one of your favourite school subjects

In this section, a favourite hobby of yours or something you like to do in your spare time

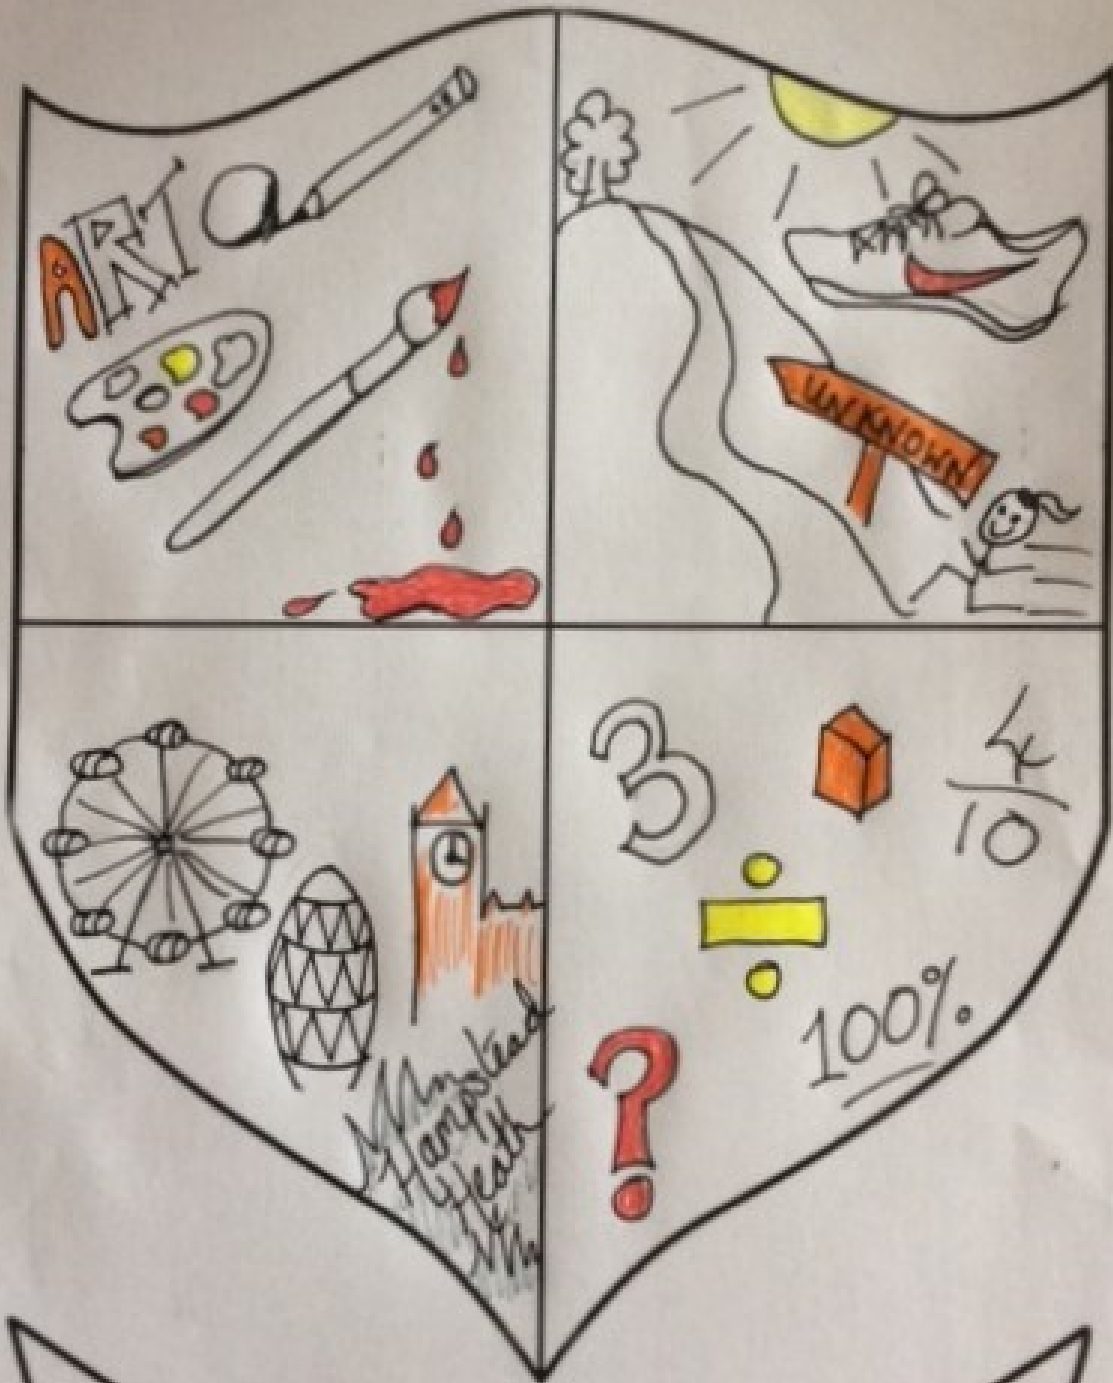

In this section, a picture representing something that is special to you—it could be a place, a person, an object or even a memory!
