

How do we  
summarise?

Follow the link onto BBC Bitesize.

Watch the video.

Warm up by doing activity one and activity 2.

### Activity 3

Now its time to complete Mr Firth's story summarising challenge he set at 05:05 in the Teacher Talk clip at the start of this lesson. You can go back and watch that part of the video again if you wish.

He explained in the video how we can summarise information by just saying the **key points**.

The key points are the most important parts of a story that you need to know in order for the story to make sense.

First, choose a story you know well. It could be '*Cinderella*', '*Little Red Riding Hood*' or '*Jack and the Beanstalk*' for example.

Then write a short summary of the story in less than **ten sentences**. You still need to include all the key information.

For example: *'The Three Little Pigs'*

- **A house made of straw.**
- **A house made of sticks.**
- **'Let me come in!'**
- **'Not by the hairs on our chinny chin chin!'**
- **The houses are blown down.**
- **A house made of bricks.**
- **The house survived.**

When you have written your summary, find a friend or family member at home and read it to them.

Can they guess what the story is you are summarising?

If they can't, you have not included all the key information. Go back and add any details you missed and then see if they can guess it.

Wednesday 20th January 2021

I can summarise.

Task:

First, choose a story you know well. It could be 'Cinderella', 'Little Red Riding Hood' or 'Jack and the Beanstalk' for example.

Then write a short summary of the story in less than ten sentences. You still need to include all the key information.
