## Learning from home – Year 4 – W.B. 18th January

Below is a list of tasks and activities to work on over this week.

- The English writing task and Maths are broken into tasks to do each day.
- During our daily (Mon-Thur) Zoom calls, we will let the children know which other subjects to work on that day.
- Your child should be able to work on these tasks mostly independently, although it's always nice for them to discuss their ideas and share what they've achieved with someone.
- Please share their learning with us daily by emailing it to [admin@fleet.camden.sch.uk](mailto:admin@fleet.camden.sch.uk) with 'FAO: Ms Benbetka and Ms Hanfling' as the subject.

**Story Time at Fleet:** On the main home learning page there is a new page! You will find **story videos from different Fleet teachers**. There's everyone from Ms Cleine reading 'Nobot' to Ms Wall reading 'Wolf Brother'.

**Assemblies:** Each week either **Mr McGibbon or Ms Wall** are recording assemblies for the **Fleet home learning page**. So far, there's one about New Year's Resolutions and another about mindfulness.

**Maths:** This week we're starting a new unit on **Addition and Subtraction**.

Watch the daily video presentations to support your learning.

*Don't print out the worksheets unless you really want to!* You can write your work on any paper.

**English:**

We're starting a new non-fiction unit - writing a **review of Dragon Mountain!** It'll be a 2 week unit and next week is the first week.

You might like to start by watching this summary of the

story: <https://www.loom.com/share/1cd61147f0754c8785e79d2106d11891> (re watch it whenever you need to over the next two weeks to remind yourself of the story)

Then here are the videos for each day. Slides are saved on our class page:

**Science:** On Tuesday, complete the lesson about **Eating and Digestion**

This week you're learning about food chains. Use the slides to support your learning. The activity is in the Science Resource page.

**History:**

Our next historical figure is **Jane Austen**, a famous writer. We'd like you to do some research about her and make a mind map about her life. Have a look at the slides to find out more.

**RE:** This week, the focus is on the **Qur'an**. Use the slides to support your learning.

Create an **information poster** about the Qur'an. Remember to include

- a title
- pictures
- some written information

**Mental Maths:** We're going to use a **new website** this week: **Times Tables Rock Stars**

Go to the website and create your own Rock Star name. Earn titles like Rock Legend!

You can play on your own or with other users.

***Start off by completing the Gig first.***

**Trumpet and Trombone:** Our brilliant T&T teacher, **Rod**, has **created a website** with lessons and backing tracks. You can practice your instrument and then perform for your grown-ups using one of the backing tracks!

**Art:** Shae has made a video showing you how to draw an anime head. Follow his instructions and send us your designs. Shae made the video for Year 6 but we think you'll enjoy it too.

**Illustration inspired by Stravinsky's 'The Firebird'**

Create a picture inspired by the mythical firebird alongside author and illustrator James Mayhew and the BBC National Orchestra of Wales.

**First...**

Watch Claudia Winkelmann as she discovers the magical story that inspired Stravinsky's soaring music.

**Then...**

See how illustrator James Mayhew uses Stravinsky's dazzling music performed by BBC NOW to inspire him to draw – watch what he does and then create your own fantastic illustration.

**PSHE:** Building on our work about resilience and helpful thinking, try the positive thoughts activity. You can print the sheet or just write the sentences on some paper. Don't forget to try some of your own examples too!

**French:** Last week, we learned some vocabulary about classroom objects. This week, follow the link to the BBC Bitesize website to review your knowledge. Scroll down to the section on 'School Objects'. You can take the quiz at the end!
