

Fleet Beat Easter Tasks

We want to continue work on this year's edition of Fleet Beat magazine even while we are all at home, and there are lots of things you can do to contribute. Because we are contributing from home, **you don't need to worry about what team you were in - feel free to send in something for any of the ideas below for now.**

News items:

Write 100-150 words about any of the following things that happened since the school year started last September – or if you have your own idea for a news item, then you can write that up and send it too!

- Royal Albert Hall evening on 10 March
- Cross Country running
- Save Our Stories week
- Top Pitch opening ceremony
- Sayers Croft

Eco-friendly Fleet

Remember that this is our main feature - if you would like to contribute, choose one of the following and send in approximately 150 words on any of the following, or an illustration that could go with any of these topics:

- the Climate Protest (way back in Autumn term – we made placards and walked around the neighbourhood)
- how Fleet is reducing use of plastic and encouraging recycling (reducing single-use plastic especially at school fairs, selling reusable water bottles, what do we recycle at school?)
- pollution: ways that Fleet tries to help keep the air clean around the school (think about monitoring air quality, bike doctors/bikeability, encouraging to walk to school)
- nature in and around the school: bugs and insects, birds, trees, pond and garden
- food: growing our own vegetables, recommendations for planet-friendly eating
- energy: solar panels and other energy saving initiatives

Spring!

As we are all at home as springtime is coming, please contribute either photos, illustrations or words about what you are seeing - whether from your window, in your gardens, on the streets or in the park. Are there trees and flowers in bloom? What animals and birds can you see? What is the weather like? You can contribute any idea that represents what you are seeing about the coming of spring: take a photo, draw a picture, write a poem or describe what you see.

Pet Mania!

Don't forget to send your entries for the cute pets competition! Details of how to enter are in the weekly newsletter and the Year 5 Easter home learning document on school website.

Cartoons and jokes

Would you like to draw a cartoon or submit a joke for the magazine? Cartoons can be about anything connected to the school - and jokes about anything at all. But remember the magazine is for our whole school community so be kind and keep jokes appropriate for all ages.

Logo

You can submit a hand drawn or painted logo for the magazine too: look at other magazine logos and consider the position and where it will be. The ideal is something that can be positioned in the top left hand side of the cover, as in previous years.

The deadline for these contributions is 15 April - so you can use some of your time at home in the holidays to work on your ideas.

You can upload documents and pictures straight on to a shared network 'myDrive' on LGFL – see attached instructions – or email to fleet.beat@fleet.camden.sch.uk

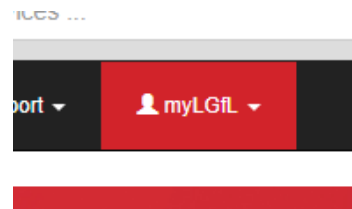

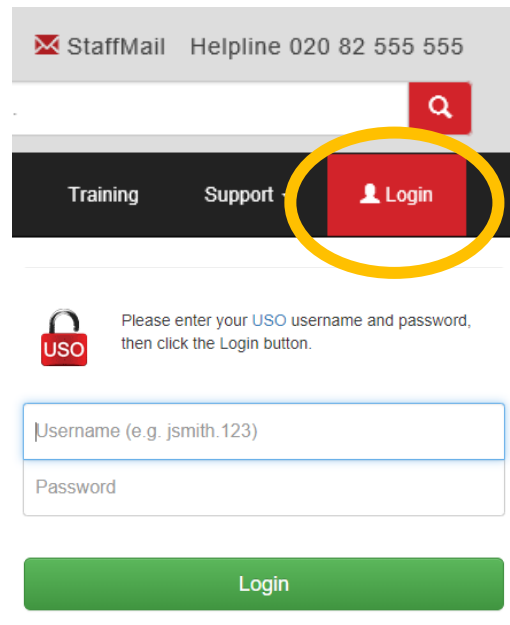

How to access 'My Drive' on LGfL to work on Fleet Beat from home.

Go to www.lgfl.net

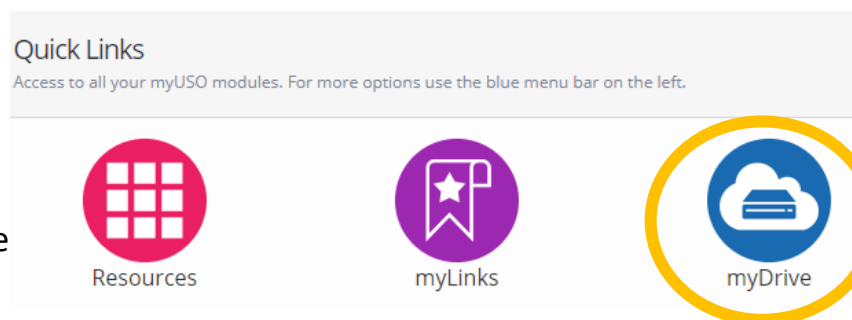

Click on 'log in' red button near top right corner

Put in your username and password—this is stuck inside the front cover of your Home Learning Journal. If you don't have it, email me (h.kingham@fleet.camden.sch.uk) and I will email it to you.

Then go to the red button in top right corner again which says 'myLGfL'. Select 'My USO' from the drop down menu that will appear.

Select **myDrive** from the page

Go to the 'FLEET BEAT 2019-20' folder and within that here will be other folders. Select the one you need.

Options to create a new document or upload a word file, image etc are at the top.
