

### Space project!

Next term, we will be learning about Space, so I've been reading Tim Peake's book, Ask An Astronaut. Watch a video I've made to find out more—there's a link on school website or click here: <https://vimeo.com/402874869>.

Here's what I would take—watch the video to find out why!

**Year 5 Easter Home Learning Projects.** These are ideas - you don't have to do all of them but I want you to **do something for Fleet Beat and the Space project** at least.

**Pet Mania!** Have you got a gorgeous goldfish, a handsome hamster or a cute cat? Then enter this competition! We are looking for Fleet's cutest pet. Send in a photo of your pet to [fleet.beat@fleet.camden.sch.uk](mailto:fleet.beat@fleet.camden.sch.uk) along with the pet's name, age and a little bit about its personality. The photo must include a piece of paper saying 'Fleet' in it so we know it is a real pet and not

from the internet! If you don't have a pet, you can use a friend's pet. All entries must be emailed by 15th April. Good luck!

### Fleet Beat content!

We are still going to produce our amazing magazine but we need your help to work on it at home. Go to the 'Year 5 Easter Fleet Beat' document on the school website to find out what jobs need doing and choose one that you'd like to do!

### Art Photography project!

Get creative with this project—Take a photo or draw a picture every day over the Easter holidays, following the list. More information in the document 'Year 5 Easter Art Photography project' on the school website!

### Easter Egg Competition

Just because we are not in school is no reason why the annual 'Fleet Egg-stravaganza' cannot still take place. As usual the rules are simple. Take a boiled egg and decorate it in any way you see fit—make it into a character or whatever takes your fancy. Some like to create a scene to go with it and some like to have multiple eggs—the choice really is yours. Remember we like egg based puns—we think they are eggs-cellent! Send in a picture of your creations to the school admin email address shown above or tweet them using the school twitter account @FleetPrimary We can't wait to see what you come up with this year. Send pics to us by the 20th April so we can pick our favourites.

**Spring Break Design Challenge competition!** A great challenge for all you inventors! See the document on the school website for more details.

### Be Kind!

Every day, try to do one kind thing for someone else. Make them a drink or snack, give them a compliment, write a note or draw a picture for them, do a helpful job, ring a family member for a chat...

### Riddles Challenge!

I know you love riddles so here's a few to try:

*I only come out at night; I give some people a fright; I can fly fast as I'm very light; I hang upside down, holding on tight; I might give you a vampire bite! What am I?*

*What is so delicate that saying its name breaks it?*

*This is as light as a feather, yet no one can hold it for long. What am I?*

Why don't you have a go at writing your own riddles to describe an object, an emotion or an animal? Try them out on your family. Send them to me, I will put them all in a document and put on the school website so you can all try each others'.
